

The Yun Family's Ninth Child is an Imp! Chapter 1688

Yun chujiu took out the item from her storage ring. She did not know what it was made of, but it was as thin as a Cicada's wing.

Yun chujiu looked at it and was stunned. She saw that there was a palace on the top. Yun Chujiu felt that the palace looked familiar. She slapped her thigh. F * CK, wasn't this the palace on the top? !

Yun chujiu continued to look down. There were a few lines of words written below. They were all written in ancient characters, yun chujiu could only recognize a part of it."... array... Yu... be... careful... not... good..."

Yun Chujiu was confused. She continued to look down and saw that the interior of the palace was drawn below. It was the same as what she saw in front of her. There was only a red dot on the roof of the palace.

Yun chujiu touched her chin and thought that there must be something strange about that red dot. However, there was something written on it. Should she move or not?

Yun chujiu rolled her eyes and put away the picture, then, she pointed at the roof and said, "Spirit of the Netherworld, let me tell you. I know that that is where the formation's eye is. I am a soft-hearted person. I Can't bear to see your palace destroyed like this. Let me out quickly. Otherwise, I will burn with Your Palace!"

As soon as Yun Chujiu finished her words, she felt a white light flash in front of her eyes. She felt proud in her heart. Little Girl, no matter how sinister you are, you can't beat me. I'll deal with you after I've read all the words on the map!

At this moment, the people outside were dumbfounded and confused. More than two hours had passed, and that Lin Chujiu still hadn't come out? Could it be that she was so loved by the spirit of the Netherworld?

Shen Zimo's face was pale. She knew that she was definitely going to be eliminated, but she didn't expect that she would be eliminated by someone she had always looked down on. One could imagine the frustration in her heart.

Suddenly, everyone saw a person being ejected from the palace. The force was obviously stronger than the previous people. That person was thrown several thousand feet away and hung on a tree in the distance.

Yun chujiu slowly jumped down from the tree. This Netherworld Spirit was really childish. Did she think that she would take revenge on me just like that? Little Fellow, just you wait. One day, I will teach you a lesson and make you obedient.

Only then did everyone see clearly that the person who was ejected was actually Lin Chuchu. But how did she get ejected so far away?

“Lin Chuchu, why did you stay in there for so long? What happened inside?” Zheng Mama received a hint from Vice Palace master Liu and asked.

“After I was teleported in, I was in a daze. Then, I heard a voice saying that this girl was really kind-hearted. Although her spiritual power was a little weak, with the assistance of Vice Palace Master Liu, she would definitely be able to bring peace to the Netherworld continent for a long time. After that, I fell asleep and didn’t know anything.”

After Yun Chujiu said that, the palace actually trembled a few times. Yun chujiu immediately said, “Look, the spirit of the Netherworld has appeared. It proves that what I said is true!”

The palace trembled even more violently, and everyone hurriedly knelt down and kowtowed.

Yun chujiu also pretended to kneel down, feeling proud in her heart. Little Fellow, I’ll Piss You to death. If you have the ability, why don’t you bite me?

The palace trembled a few more times, then disappeared, and the jade medallion returned to the Saintess’ hands once again. The SAINTESS, Sheng NV, and Sheng NV also knelt down.

Although Vice Palace Master Liu’s expression did not change, he was very happy in his heart. Although he had been in power all these years, he always had a feeling that his reputation was not justified. Now that he had Yun Chujiu’s words..., he felt more confident in his heart.

This Lin Chuchu was not bad. Whether those words were really said by the spirit of the Netherworld or made up by her, it meant that she had set her own position and would definitely be a puppet in peace in the future.
