

The Yun Family's Ninth Child is an Imp! Chapter 1693

"Lin Chuchu, don't think that just because you helped me, I will give in to you during the competition. Let's each rely on our own abilities!" After Jin Zhi finished speaking, she turned around and left.

Yun Chujiu's face was filled with confusion!

F*ck! What the hell? Is this Jin Zhi crazy?!

A trace of coldness flashed across Qing Lan's eyes. Was this brainless Jin Zhi trying to reconcile with Lin Chuchu in disguise? HMPH, we'll see!

The three of them had their own thoughts. The room was very quiet until Zhi hua said from outside, "Ladies, dinner is here."

Yun chujiu jumped off the bed and rushed out.

Jin Zhi and Qing Lan's faces stiffened for a moment. However, thinking of their previous experience, they were afraid that the dinner was still limited, so they rushed out of the room.

When the two of them went out., Yun Chujiu was chatting with the servant girl who was delivering the food. "This food has all the appearance, fragrance, and taste. It's just that the amount of food is really too little! I've always used a basin to bring food. This little thing of yours isn't even enough for me to eat alone."

The servant girl looked at the big basin in Yun Chujiu's hand with a dumbfounded expression. Well, the basin in her hand was even bigger than the basin that the servant girl was carrying.

The maid could only say hesitantly, "Miss Chuchu, this servant will send more food over next time."

Jin Zhi wanted to mock Yun Chujiu, but she thought about it and swallowed it back. The three of them returned to the dormitory after finishing their dinner.

After dinner, they were still busy with their own things and no one said anything.

The next morning, the three of them went to the courtyard after breakfast to wait for Yi Mama.

After Yi Mama arrived, she immediately began to teach the three saintesses some etiquette. Apart from the daily etiquette that they had learned, there were also complicated etiquette such as receiving subordinates, meeting guests, and so on.

Yun Chujiu was afraid that the SAINTESS would find a reason to eliminate Sheng NV, so she no longer hid her skills and learned quickly and well. In comparison, Jin Zhi and Qing Lan were less charming.

Yi Mama told them to practice on their own and left the courtyard to meet the Sheng NV.

“How are the three of them doing? Is Lin Chuchu learning poorly?”The Sheng nv asked lightly.

Yi Mama hesitated for a moment and then said, “Sheng NV, that Lin Chuchu not only learned well, but also learned faster and better than the other two. I can’t even find any fault with her.”

Sheng NV was stunned. “It seems that I underestimated her! That’s right. This is the puppet that Liu Huanhua has been painstakingly looking for. How can it be bad? !”

“Sheng NV, it seems that Vice Palace Master Liu is ready to make a move against you and young master. You should plan it as soon as possible.” “As for that Lin Chuchu, it doesn’t matter whether she or the other two become Sheng NV. We should think of a way to keep you and young master alive first.”

Sheng nv laughed bitterly, “What can I think of?” “A few days ago, when I refused to summon the Netherworld Shrine, he used Chang Qing’s antidote to threaten me. If I didn’t have some secrets that only the Sheng nv knew, he would have made his move long ago!”

“Now it seems that he can’t wait any longer. He even plans to give up those secrets. I don’t have anything to threaten him with, so how can I defeat him?”?

“Jin Zhi and Qing Lan are both direct daughters of large clans. If they become Sheng NV, they can still fight against Liu Huanhua. Even if I die, I can’t let him get away with it. So no matter what, I have to eliminate that Lin Chuchu.”

“Sheng NV, young master has always been resourceful. Why Don’t you discuss it with him? Perhaps there might be a way. Besides, I think that Lin Chuchu isn’t easy to deal with! “Besides, Vice Palace Master Liu will definitely try to keep her alive.”Yi Mama Sighed.
