

## The Yun Family's Ninth Child is an Imp! Chapter 1694

"No matter how cunning that Lin Chuchu is, she's just a little girl in her teens." "HMPH, Vice Palace Master Liu wants to protect her?" "Then let him have no way to protect her. If you do as I say, you can make sure that Vice Palace Master Liu has no way to protect her." "That Qing Lan has many thoughts. You might as well make use of her," Sheng NV said lightly.

Sheng nv instructed nanny Yi, who nodded and said, "This servant will make the arrangements right away."

After Nanny Yi left, Sheng nv sat on the chair and sighed dejectedly. Then, she turned around and entered the study.

Sheng nv arrived at the door of the study and took off the veil on her face. The expression on her face also became gentle. Only then did she push open the door of the study.

Inside the study, a slim man was reading a book. When he saw Sheng NV, he smiled and said, "Biyun, have you seen Yi Mama?"

"Although Lin Chuchu is very cunning, he is nothing to be afraid of. However, Liu Huanhua is probably going to make a move on us." "Husband, I have implicated you all these years. If it weren't for me, you would still be living in the Qing Xuan Continent. How Could You Suffer Like This?" "!" Sheng NV's eyes reddened, tears streamed down her face.

“Biyun, we’re husband and wife. Husband and wife are one. There’s no need to talk about this.”The Man took out a handkerchief and gently wiped the tears from the corner of Sheng NV’s eyes.

“But, if I didn’t have to go there, we wouldn’t have been caught. We could have been filial to father and could have raised little jiu well. When I think of Little Jiu becoming a child without a father or mother, my heart feels like it’s being cut by a knife.

“Last time, in the Burning Sky Plains, when I heard the little girl on the stage call herself Yun Chujiu, I almost lost my composure and rushed down to see if it was our little jiu. “But, I was afraid that that bastard Liu Huanhua would discover something, so I forcefully restrained myself. I was also afraid that I would give myself away and use your ill health as a catalyst to come back.

“That little girl must be our little jiu. Although she has turned white now, I remember her eyes and brows. She must be our daughter!

I didn’t expect father to teach her so well. Not only is she delicate and moving, but she is also very smart. She has already ascended to the Tian Yuan continent at such a young age, it can be seen that she must have put in a lot of hard work to cultivate.”Sheng NV’s face showed a proud expression, and her eyes shone again.

That man, Yun Zhangqing, held Sheng NV’s hand and said, “Biyun, we have survived for so many years. We will definitely be able to get through this time. “Sheng NV, even if we really choose the successor of the SAINTESS, you can use teaching them some things as a reason to buy time. Now that the border is at war, perhaps things will turn for the better.”

“Oh right, husband, I heard that di beiming of the Temple of Immortals is little jiu’s fiancé. You said that the Tian Yuan continent suddenly attacked the Netherworld continent. Could it be that little jiu already knows our identity?”

Yun Zhangqing was stunned for a moment. “That’s also possible. It’s really hard on Little Jiu! So, Biyun, we can’t give up. Our family and Little Jiu are still waiting for us to reunite.”

The Holy Maiden was enlightened by Yun Zhangqing’s words, her emotions also calmed down a little. “Husband, what you said makes sense. We Can’t give up just like that. “I need to think of a way to eliminate Lin Chuchu first. Then, I’ll choose one of the two people, Jin Zhi and Qing Lan, as my grooming targets. These two people have the backing of their families. If I use some tricks, I’m not afraid that they won’t help me stall for time.”
