

## The Yun Family's Ninth Child is an Imp! Chapter 1696

While Qing Lan was angry, her heart was filled with joy. This was the garden of the Sheng NV. Lin Chujiu had plucked a few flowers, so she would definitely be punished!

Jin Zhi hesitated for a moment, but she still said coldly, "Lin Chujiu, this is the Sheng NV's garden. You will be punished for destroying the flowers here."

Yun chujiu giggled, "If there are flowers, just fold them. Don't wait until there are no flowers, then fold the branches. These flowers are lucky to have been chosen by me. The Sheng NV is such a kind person, so she will definitely not blame me!" "Come, I'll give you another shower of petals!"

Yun chujiu started to destroy the flowers after she finished speaking. Large amounts of petals were thrown at Jin Zhi and Qing Lan. The two of them were so angry that they did not care whether they would be punished or not. They also grabbed the petals and started to fight back.

In the dark, Yi Mama was so angry that she was twitching. This Lin Chujiu was really a disaster. Fortunately, she was going to be eliminated.

While the three of them were playing, they saw a red flame rabbit running from the flowers. Unlike the usual rabbit fur, this rabbit's fur was as red as fire. It was very beautiful.

Ordinary women did not have much resistance against such a cute spiritual beast. Jin Zhi and Qing Lan were attracted by the Red Flame Rabbit. "What a cute red flame rabbit! I really want to catch and touch it."

Yun Chujiu was also attracted by the Scarlet Flame Rabbit. "What a fat rabbit! The meat must be delicious!"

Jin Zhi and Qing Lan..

Scarlet Flame Rabbit..

The Scarlet Flame Rabbit turned around and ran. Master, you said that this mission was not dangerous. Why did it feel that if it ran a little slower, it would be skinned and eaten?

Jin Zhi ran after the scarlet flame rabbit. Qing Lan's eyes flashed as she chased after it.

Yun chujiu smiled bitterly in her heart. This rabbit was probably prepared for her. She wanted to see what kind of trap her beautiful mother had set for her.

Yun chujiu thought of this and chased after it. She shouted while chasing, "Catch it! Let's roast the rabbit for dinner!"

When the red-flame rabbit heard Yun Chujiu's words, it ran even faster. It wished it could grow a pair of wings.

In the dark, Nanny Yi was dumbfounded. She comforted herself. Although there was a slight deviation, she had managed to lure Lin Chuchu there. She would definitely succeed.

The red-flame rabbit was small, and it was much faster than the three of them in the flowers. The three of them chased after it, but they did not see the red-flame rabbit. Instead, they saw a stone tablet.

The stone tablet was densely covered with words. In other words, behind the stone tablet was the forbidden area of the saintly Virgin Palace. That was the place where the spirits of the Netherworld were worshipped. Only the saintly virgin could enter on a specific date, if the others entered, they would be killed without mercy.

The words "Kill without mercy" were drawn in cinnabar, and it was very eye-catching.

Qing Lan's heart skipped a beat. This was a great opportunity to get rid of Jin Zhi and Lin Chujiu. As long as she got the two of them into the forbidden area, she would be the only candidate!

Qing Lan was so excited that she started to tremble slightly. She saw that Jin Zhi and Yun chujiu were both looking at the stone tablet with their backs to her. Suddenly, she threw a palm at the two of them.

Jin Zhi and Yun chujiu were caught off guard. In order to avoid her palm, they jumped forward and entered the forbidden land. In a flash of white light, they disappeared in front of Qing Lan.

Yun chujiu cursed in her heart. Her beautiful mother was quite scheming. She actually knew how to use Qing Lan to deal with her. This was called playing a game with a game. She wanted to see what good things were inside the forbidden land.
