

The Yun Family's Ninth Child is an Imp! Chapter 1697

Qing Lan's face revealed a sinister smile. hahaha, finally, there was no one to compete with her! After they came out, even if they could save their lives, they would still be stripped of the Saintess' qualification. This saintess' position was hers, Qing Lan's Sheng nv!

Qing Lan calmed down for a moment, then revealed a panicked expression and ran back. She ran to the entrance of the garden and met Yi Mama.

"Miss Qing Lan, why are you here? Where are the other two young ladies?" Yi Mama saw Qing Lan coming alone and knew that the matter had been settled.

"Yi Mama, something bad has happened! Jin Zhi and Lin Chuchu ran into the forbidden area to chase after a red flame rabbit! I tried to stop them but they didn't listen. What should we do?" Qing Lan showed an anxious expression, it was as if she was really worried about Yun Chujiu and Jin Zhi.

"What? ! They are too bold! Follow me to see the SAINTESS immediately!" Yi Mama sneered in her heart. This Qing Lan was really like what the SAINTESS had said. She was a person with a mouth full of honey and a sword in her heart. However, this kind of person was the most useful.

When Qing Lan saw Yi Mama like this, she was even more certain that Yun Chujiu and Jin Zhi had no chance to turn the tables. She tried her best to suppress her excitement and followed Yi Mama.

Yi Mama said that she was in a hurry, but her feet were not particularly fast. It was best to stall for some time. It would be even better if they offended the netherworld spirit directly.

At this moment, in the forbidden area.

After a white light flashed in front of Jin Zhi and Yun Chujiu's eyes, a palace appeared in front of them. This palace was much smaller than the one that appeared in the square before, but its shape was very similar to that palace.

Jin Zhi cursed angrily, "Qing Lan, that B * Tch! How dare she plot against me! When I get out, I'll definitely kill her!"

Yun chujiu glanced at her, "I'm afraid you'll have to worry about yourself first after you get out. The stone tablet says that anyone other than the Sheng NV will be killed if they enter this place."

"We were framed! It was Qing Lan, that B * Tch, who plotted against us. The Sheng nv won't punish us without any reason!" Jin Zhi said angrily.

"You are really brainless to say that you are brainless. Do you think Sheng NV will believe our words?"
"Even if she did, we have already made a big mistake. We definitely don't have the qualifications to be Sheng NV. Instead, it was that B * Tch Qing Lan who became the only candidate," Yun Chujiu said slowly.

Jin Zhi was stunned. She hesitated for a moment and said, "Lin Chuchu, I know you have many tricks up your sleeve. As long as you can help me get through this crisis, whether it is you or me becoming Sheng NV, I will repay you well."

"You are treating me as an outsider when you say that. We can be considered old acquaintances. Although we have not been on good terms with each other, the beating is a form of scolding and love. In fact, I still like you very much in my heart!"

Jin Zhi's heart warmed up. This Lin Chuchu was a hundred times stronger than that Qing Lan. She was really blind before.

Jin Zhi was so touched that she wanted to say something, she heard Yun Chujiu say with a smile, "Although we are on good terms, we are brothers. Let's settle the score. Swear on your inner demons! Just say that if you don't repay me well in the future, the heavens will strike you with lightning and you will die a horrible death!"

Jin Zhi's face stiffened, she was so angry that she gritted her teeth, "Good! Good! Lin Chuchu, you are ruthless enough! Just swear on it! If Lin Chuchu helps me get through this crisis, I will definitely repay her properly in the future. If I violate this oath, I will be struck by lightning, and I will die a horrible death!"

"Aiyo, why are you so honest? I was just saying that, and you actually took it seriously? Am I someone who doesn't save people? Even if you don't swear on it, I will help you." Yun Chujiu said with a smile.
