

## The Yun Family's Ninth Child is an Imp! Chapter 1701

Sheng nv said coldly, "Vice Palace Master Liu, wait for me to go in and bring the two of them out. I'll interrogate them in detail. "However, no matter what reason they entered the forbidden land, they can't escape the crime of desecrating the spirit of the netherworld. They are no longer qualified to be Sheng NV."

"Then I'll trouble Sheng NV to go in and bring the two of them out!" A trace of viciousness flashed in Vice Palace Master Liu's eyes. He knew that all of this was designed by Sheng NV after thinking for a moment, this move not only made Lin Chuchu and Jin Zhi lose the qualification to be the SAINTESS, but he also had to give up on Qing Lan. It would take a lot of time to re-elect the SAINTESS.

The SAINTESS took out her jade token and formed a seal before walking into the forbidden area.

Sheng nv didn't come out for more than an hour. Everyone couldn't help but feel suspicious. What was going on? Why did they not come out after such a long time? Could it be that Jin Zhi and Lin Chuchu dared to disobey Sheng NV's orders?

Qing Lan was very happy in her heart. She could not wait for Yun Chujiu and Jin Zhi to completely offend Sheng NV.

Finally, Sheng nv walked out of the forbidden area with a cold expression on her face.

"Qing Lan, tell me the truth. Where did Lin Chuchu and Jin Zhi go?" Sheng nv stared at Qing Lan.

“Sheng NV, the two of them entered the forbidden area to chase after the Scarlet Flame Rabbit! I saw it with my own eyes!” Qing Lan was shocked. What did Sheng nv mean by asking this? Could it be that Jin Zhi and Lin Chuchu were not in the forbidden area? How could this be?

“Nonsense! I searched inside but didn’t find any trace of the two of them. Why Don’t you tell me the truth?” Sheng nv was very angry, she had searched inside for a long time, but other than finding that the supreme-grade spirit stones on the offering table were missing, she didn’t find any trace of them. Was Qing Lan lying or did those two people sneak out? However, how could they break out of the array without a jade token?

Vice Palace master Liu said coldly, “Qing Lan, deceiving Sheng NV is a big crime. Why Don’t you tell us the truth?”

Qing Lan saw how furious the Saintess and Vice Palace Master Liu were, and she was so scared that she quickly knelt down and said, “Saintess, what I said is the truth. I didn’t lie a single word. They really entered the forbidden area.” Sheng NV’s eyes were filled with anger

Seeing that Qing Lan didn’t seem to be lying, the SAINTESS was even more puzzled. Where did Lin Chuchu and Jin Zhi go now?

At this moment, a guard hurried over and whispered something into Vice Palace Master Liu’s ear, a trace of pride flashed across Vice Palace Master Liu’s eyes. “SAINTESS, the guard just reported that Lin Chuchu

and Jin Zhi are currently enjoying the flowers. It seems that everything is a lie made up by this Qing Lan." Sheng NV's eyes were filled with a trace of pride

"Impossible! They clearly entered the forbidden area! How could they be enjoying the flowers?" Qing Lan screamed. If she was really convicted of deceiving the SAINTESS, then her life would be over!

The Sheng nv frowned slightly. Vice Palace Master Liu's words naturally had solid evidence. She did not think of a way to make up for it, yet she still made such a big fuss. What an idiot.

The Sheng NV had already confirmed in her heart that there was a deviation in the plan this time. Qing Lan did not have the guts to lie. However, how did Lin Chuchu and Jin Zhi escape from the forbidden area?

Vice Palace Master Liu snorted coldly. "Whether it's true or not, we'll know when we go over and take a look. Sheng NV, Please!"

Sheng NV had no choice but to say to Qing lan, "Are you lying or is there a discrepancy between the two of you? Confront them when you see them! Follow Me!"

The crowd surrounded Sheng NV as they walked toward the exit of the garden. Sure enough, they saw two young girls admiring the flowers from afar.
