

The Yun Family's Ninth Child is an Imp! Chapter 1702

Qing Lan broke out in a cold sweat. How was this possible? She had pushed them into the forbidden area. Why were they here?

Jin Zhi and Yun Chujiu saw the crowd and quickly walked out from the flowers, "Sheng NV, Sheng NV, vice palace master Liu."

Sheng NV's gaze paused on Yun Chujiu for a moment and asked coldly, "Qing Lan said that the two of you accidentally entered the forbidden area to chase after a fire rabbit. Is that true?"

Jin Zhi and Yun Chujiu's faces were filled with disbelief. "Forbidden Area?" We knew that it was a forbidden area. How could we possibly enter? Qing lan, even though you and we had some disagreements, you can't accuse US Like This!"

Qing Lan cried out in shock, "You're lying! You clearly entered the forbidden area! I saw it with my own eyes! You must have used some unspeakable means to escape!"

Yun chujiu sighed, "Qing Lan, is there something wrong with your brain?" That was a forbidden area, how could the two of US girls escape? Even if you wanted to frame us, you shouldn't have alarmed the Saintess and Vice Palace Master Liu. The consequences of your actions were very serious! You might even implicate your Qing family!"

Qing Lan was already very afraid, hearing Yun Chujiu's words made her even more terrified. She blurted out, "You're lying! I clearly pushed the two of you into the Forbidden Area!"

Qing Lan knew that something was wrong after she finished speaking! However, she gritted her teeth. No matter what, if I can't heal you, don't even think about it. If worst comes to worst, none of us will be able to become Sheng nv!

Thinking of this.., she screamed, "Yes, I clearly pushed the two of you into the forbidden area. Why are you here?"? Sheng nv and vice palace master Liu really entered the forbidden area. As for how they escaped, as long as they are tortured, they will tell us!"

Yun Chujiu could not help but twitch her lips in her heart. How Stupid! We are not criminals, how can you torture us without any evidence? Are You Out of your mind?

As expected, before Sheng nv could say anything.., vice Palace master Liu shouted angrily, "This is outrageous!"! Sheng NV, I think this Qing Lan may have some mental issues, and her words do not make sense. Such a person is not qualified to be a Sheng NV. "Men, Chase Qing Lan out of the Netherworld Palace!"

The guards were all Vice Palace Master Liu's men. When they heard this, they immediately came over and surrounded Qing Lan. "Miss Qing Lan, Please!"

Qing Lan regained some of her rationality. She knew that the situation was over. Moreover, vice palace master Liu's attitude was clearly biased towards Jin Zhi and Yun Chujiu. A trace of malice flashed in her eyes, sheng nv coldly said, "Saintess, Vice Palace Master Liu, whether you believe it or not, this Lin Chuchu and Jin Zhi have indeed entered the forbidden area. As for how they got out, they must have some unspeakable secrets."

After saying this, Qing Lan bowed to the Saintess and vice palace master Liu and then left.

Qing Lan's words naturally did not want to let Yun Chujiu and Jin Zhi have a good time. Even if she was eliminated, it also planted the seeds of doubt in the hearts of the Saintess and Vice Palace Master Liu.

Her idea was good, but unfortunately, she misjudged the situation. Vice Palace Master Liu wanted to push Yun chujiu to the position of the SAINTESS, so naturally, he would not touch her for the time being. The SAINTESS wanted to push Jin Zhi to the position of the SAINTESS, so naturally, she would not probe further.

Therefore, after Qing Lan was kicked out, the Saintess and vice palace master Liu did not mention anything about the forbidden land. They only said a few polite words and left the garden. Sheng NV and Sheng NV were very happy.
