

## The Yun Family's Ninth Child is an Imp! Chapter 1703

Yun Chujiu and Jin Zhi followed Mama Yi back to the dormitory. Mama Yi only instructed the two of them to continue practicing their etiquette before she left in a hurry.

Jin Zhi was about to speak when she saw Yun Chujiu make a silent gesture at her. After opening the isolation array.., only then did she say, "Are you stupid? Aren't you afraid that the walls have ears? If anyone hears us, we're done for! You're really brainless!"

If Yun Chujiu had said this in the past, Jin Zhi would definitely go berserk. But now, after the incident in the Forbidden Land, Jin Zhi had a trace of admiration for Yun Chujiu from the bottom of her heart, she frowned and said, "Do you think the Sheng NV and vice palace master Liu will really let us go just like that? They won't really torture us to extract a confession like Qing Lan said, right?"

"Don't worry! Without real evidence, Qing Lan alone won't be able to do anything to us. Besides, you're the precious treasure of the Jin family. They won't dare to touch you easily."

Hearing Yun Chujiu's words, Jin Zhi felt a little more at ease. "That B \* Tch Qing Lan! When I find an opportunity, I'll definitely kill her!"

"You'd better think of a way to pass the news to your father now. Otherwise, that little B \* Tch might spread rumors and create trouble again. You'd better strike first." Yun Chujiu said lightly.

Jin Zhi felt that what Yun chujiu said made sense, so she quickly took out the voice transmission talisman and prepared to contact her father.

Yun chujiu said, "You'd better grow a brain. Think carefully before you say anything."

Jin Zhi was stunned and nodded. In the voice transmission talisman, she only said that Qing Lan was jealous of her and slandered her for entering the forbidden area by mistake, so she was driven out of Yun Yun by the Sheng NV.

After Jin Zhi received her father's reply, she said to Yun chujiu with a complicated expression, "Although you helped me this time, I am determined to get Sheng NV. Let's compete fairly!"

Yun chujiu nodded her head indifferently and cursed in her heart. This Idiot, compete fairly? You are really unlucky to have met me. There is no such word as 'fair' in my words. The person who will win will definitely be me!

For a few days, Yi Mama did not come over. It was as if she had forgotten about Yun Chujiu and Jin Zhi. However, Yun Chujiu knew that the Saintess must be thinking of some bad idea. As a mother, she was scheming against her own daughter, Sheng nv!

In the blink of an eye, it was time for the Saintess to choose her successor.

Early in the morning, Yun Chujiu and Jin Zhi followed Yi Mama to the Big Square that they had last time. Due to the importance of the matter, the leaders of the Nether World Hall also came to the square. When they saw Yun Chujiu and Jin Zhi, although they didn't dare to make a noise, they still discussed in low voices.

"Who do you think will win?"

"It should be that Jin Zhi! I heard that she is the first daughter of the Jin family, and her spiritual power is much higher than Lin Chuchu's."

"I also think it should be Jin Zhi. Although that Lin Chuchu is like a little fairy, that Jin Zhi is more imposing."

"Nonsense! Miss Chuchu is obviously more suitable for the Saintess' temperament. Not only is she kind-hearted, but she is also extraordinary." The one who spoke was one of the guards who accompanied the young girls to practice sword techniques, Sheng NV.

The other guards also echoed, "That's right, Miss Chuchu is kind and strong. She is the best candidate."

..

Jin Zhi heard everyone's discussion and could not help but Twitch the corner of her eyes. Those guards were most likely blind, right? Such a black-hearted, greedy, and kind-hearted person? Stop teasing her, okay?
