

The Yun Family's Ninth Child is an Imp! Chapter 1704

Just as everyone was discussing in low voices, Vice Palace Master Liu arrived.

A moment later, the SAINTESS also arrived at the square.

After everyone saluted, the saintess then said coldly, "Today, I have to choose one of these two candidates to be my successor. As the SAINTESS, I naturally have to possess the power of the netherworld. Therefore, today's test is very simple. Whoever has a higher value of the power of the Netherworld will be the successor of the SAINTESS."

Yun Chujiu's heart was like a muttering dog. Oh My God, you're really ruthless! You're not giving me a way out! You clearly know that I don't have the power of the netherworld. How can I beat Jin Zhi?

Vice Palace Master Liu was furious and said fiercely, "Saintess, the second round of the test is the power of the netherworld. You'd better change the topic!"

The saintess glanced at Vice Palace Master Liu, "Vice Palace Master Liu, I'm the Saintess of the Netherworld Palace. You're just the Vice Palace Master. I have absolute authority over the Saintess' choice, so you just need to watch from the side," said Sheng NV indifferently

Vice Palace master Liu almost fainted. Although he wanted to kill the SAINTESS, he couldn't do it in public under the watchful eyes of everyone. He hated Sheng NV in his heart. "Very well, B * Tch, you're really scheming!" 'even if that Jin Zhi wins, I still have a way to make her not become the successor.'.

Seeing that Vice Palace Master Liu didn't speak anymore, the SAINTESS said, "Men, bring the spirit power ball and the display screen to Sheng NV."

After Yi Mama and the others placed the spirit power ball and the display screen, the SAINTESS signaled for Jin Zhi and Yun Chujiu to start the test.

Jin Zhi's heart was very complicated. She was happy that she had won, but she also felt that it was unfair. However, when she thought about the interests of the family, she still walked to the test area.

Jin Zhi bit her index finger and began to chant, "With me to stop the bleeding, sacrifice the power of the Netherworld, come!"

After the spiritual power ball was attacked by Jin Zhi, the number on the display screen began to rise and finally stopped at 1,100.

Jin Zhi was very satisfied with this result. She felt that the successor of Sheng NV would be her! After all, Lin Chuchu did not have the power of the Netherworld at all.

“Lin Chuchu, it’s your turn!” Sheng nv said lightly, but in her heart, she was a little proud. Her husband’s idea was indeed good. Jin Zhi would definitely win! Jin Zhi was the daughter of the Jin family. That Bastard Liu Huanhua did not dare to make a move on her so easily. This way, she could stall for more time.

Yun Chujiu’s mind had not been idle. She had thought of several ways, such as pretending to faint, or thinking of ways to get Vice Palace Master Liu to delay the time for the assessment. If it was not enough, she would reject it. These were all ways to treat the symptoms but not the root cause, moreover, time was pressing. It was better to become the successor as soon as possible.

However, she did not know whether it was because of the problem with the test ball last time or the effect of cursing the spirit of the netherworld. This time, how could she let her results surpass Jin Zhi’s?

Yun chujiu wanted to curse just like the last time, but this time was different from the last time. Everyone’s eyes fell on her. The test area was very close to everyone. If she cursed, there was probably no need for the test, she would be directly eliminated.

Because she did not think of a countermeasure, Yun Chujiu walked very slowly. Sheng nv sneered, “Lin Chujiu, don’t dawdle there. If you don’t start, I will directly disqualify you from the test.”

Yun chujiu cursed in her heart. Beautiful mother, sooner or later, you will regret treating your little cotton-padded jacket like this!

Yun chujia gritted her teeth. No matter what, she had to try first. If it really didn't work, she would pretend to faint!
