

The Yun Family's Ninth Child is an Imp! Chapter 1707

Although Jin Zhi's blood was boiling from Yun Chujiu's words, this was not a small matter after all, she was still hesitant. "Chuchu, this matter is not a small matter. I Can't make the decision. I'll go back and report it to my father and see what his decision is. However, don't worry. Even if our Jin family doesn't participate in this matter, I won't leak the news."

Yun Chujiu also knew that Jin Zhi was just a little girl and could not be the head of the Jin family, but it was still a good choice as a bridge of communication, then said: "You give me a voice transmission talisman, we communicate at any time."

Jin Zhi had to take out a voice transmission talisman to Yun Chujiu, hesitated for a moment, still, he said, "Vice Palace Master Liu is ruthless and merciless. You must be careful! If it really doesn't work out, you can think of a way to stop being the successor of the Sheng NV. If you come to Yuanping City to look for me, I can guarantee that you won't have to worry about food and clothing."

Yun chujiu giggled. "Then thank you for your kind intentions, Beauty Jin Zhi!" "Don't worry, I will definitely kill that old bastard!" "When you go back, remember to talk to your father properly. This is a great opportunity for your Jin family to become a prominent family for ten thousand years. After this, there won't be such a shop anymore!"

Jin Zhi glared at Yun Chujiu. "I got it. I'm leaving. You Be Careful!"

Jin Zhi couldn't help but feel a little sour after she said that. She now vaguely understood that this was true friendship. As for the people who surrounded her earlier, they were only there because of her identity as the eldest daughter of the Jin family, there were also people like Qing Lan who harbored evil intentions.

However, Chuchu was different from those people. Although she was full of evil intentions and her words were very irritating, people could feel that she was a partner who could really trust each other.

Yun chujiu saw that Jin Zhi's eyes were a little red, and her heart also felt sour. After she transmigrated, although she had two cousins, Yun Chuwu and Yun Chuqi, she always felt that there was more kinship than friendship. As for Qing si, because they had not spent much time together, they did not have the friendship of close friends.

She did not expect that after coming to the Netherworld continent, not only did she get to know Mo Wanwan and the other two, but she also became friends with Jin Zhi.

Compared to Mo Wanwan and the other two, Yun Chujiu felt that she was closer to Jin Zhi. Although Jin Zhi was arrogant, she still had a kind side to her. In fact, as long as such a person caught her eye.., she would treat you well and even be a little silly.

You would not feel tired when you were with such a person, because she did not care about using complicated things. Everything was on the surface.

Xiao Heiniao couldn't help but complain, "Master, did you find a straightforward best friend because you have too many bad ideas?"?

Jin Zhi left reluctantly. Yun Chujiu knew that both Vice Palace Master Liu and the Saintess were discussing the next step of the plan and couldn't care about her for the time being. Therefore, this guy took out the recliner and lay outside to bask in the Sun.

The next morning, without waiting for Sheng NV to make a move, vice palace master Liu took action.

"Miss Chuchu, the people from Jinxiu Xuan came to measure you and want to make you a few more sets of palace clothes," Zhi Hua said respectfully. To be honest, she had always thought that Jin Zhi would win, but she didn't expect that Lin Chuchu would win.

"Then let her come in!" Yun Chujiu said indifferently.

"Miss Chuchu, outsiders are not allowed to enter the saintly Virgin Palace, so I have to trouble you to go to the other palaces in the Netherworld Palace to measure."

Yun Chujiu's heart moved. It was likely that the tailor-made clothes were fake. It was true that Vice Palace Master Liu, that old B * stard, was beating her up. In that case, she would meet that old B * Stard!
