

## The Yun Family's Ninth Child is an Imp! Chapter 1709

Zheng mama was very satisfied when she heard Yun Chujiu's words. However, she did not know that Yun Chujiu added in her heart, "If you want me to go east, I will definitely not go west. I can go south and north. If you want me to chase dogs, I will definitely not chase chickens." But I can chase pigs and ducks!

"Miss Chuchu is indeed very smart. This old servant will report your words to vice palace master Liu Truthfully." "Miss Chuchu, you can put aside other things. You have to find a way to learn the chant of the Saintess to summon the Netherworld Shrine and enter the forbidden area," Sheng nv said

Yun chujiu sneered in her heart. This was probably the reason why that old B \* stard, Vice Palace Master Liu, did not kill the beauty's mother. Did he want to use her? Let me give you a spy-spy-trap gift pack!

Yun chujiu frowned. "Zheng Mama, you also know that the SAINTESS doesn't like me very much. I'm afraid she won't teach me. I wonder if Vice Palace Master Liu has any good ideas?"

Zheng Mama's face darkened. "Miss Chuchu, Vice Palace Master Liu has many things to attend to every day. How can he have the energy to think about such trivial matters? You have to rely on yourself for everything!" "If you can't achieve some results within a month, it won't be difficult for the successor of the Saintess to be replaced by someone else," said Sheng NV

"Zheng Mama, I, I will definitely work hard!" Yun chujiu revealed a perturbed expression and sneered in her heart. After playing the emotional card, she started to threaten me? Then I will cooperate with you. Otherwise, how would you feel a sense of accomplishment?

Zheng Mama saw Yun Chujiu like this and nodded with satisfaction. "That's good. I will send you back to the Saintess Palace."

"Zheng Mama, if I want to contact you, how can I find you?"

"Take this voice transmission talisman. If you have anything, just contact me directly." Zheng Mama passed a voice transmission talisman to Yun Chujiu.

Yun Chujiu kept the voice transmission talisman and said carefully, "Zheng Mama, please put in a few good words for me in front of Vice Palace Master Liu. I will definitely think of a way to get the mnemonic formula as soon as possible."

"Miss Chujiu, don't worry. I will definitely report to Vice Palace Master Liu truthfully." Zheng Mama couldn't help but feel a little proud when she saw Yun Chujiu's slightly fawning tone.

After Zheng Mama sent Yun Chujiu to the saintly Virgin Palace, she immediately came to see Vice Palace Master Liu.

“What did that Lin Chuchu say?”

“Reporting to Vice Palace Master Liu, that Lin Chuchu was very obedient. I just gave her a little bit of a beating and she was on the right track.” However, she didn’t seem to have any plans in her heart. She asked if you had any way to get the saintly virgin to teach her the mnemonic formula. After she was slightly intimidated by me, she honestly said that she would go back and think of a way.”Zheng Mama told the story roughly.

Vice Palace Master Liu nodded. “She is just an orphan girl with no background. Now that she has reached the sky in one step, she is naturally afraid of being beaten back to her original State!”

“You are right. That Lin Chuchu is always trying to please this old servant. It can be seen that she is very afraid of being beaten into the dust again. She will definitely do her best to get the mnemonic chant.”

“Yes, if there is any movement, report to me immediately.”

“Yes!”

On the other side, Yun Chujiu had just returned to the dormitory when she saw Yi Mama waiting in the courtyard with a cold face. When she saw Yun chujiu come in, she said coldly, “Miss Chujiu, the Sheng NV has summoned you. Come with me!”

Yun chujia cursed in her heart. Has the beautiful mother thought of a way to deal with me?

Yun chujia followed Yi Mama to the main hall of the Sheng NV. The Sheng NV sat on the main seat, still wearing a veil.

“Greetings, Sheng nv!” Yun chujia slightly bent her knees and bowed.

Normally, Sheng NV should have said no, and Yun chujia could have stood up. Unexpectedly, Sheng nv didn’t say anything, as if she didn’t see or hear anything.
