

The Yun Family's Ninth Child is an Imp! Chapter 1711

Yun chujiu curled her lips and pointed at the Sun in the sky. "You guys hid well, but your shadows have been exposed!"

You Chi and the others were very ashamed. As secret guards, they had made such a low-level mistake. If they were in a dangerous situation, this low-level mistake would have killed them all.

"You will be on duty in the saintly Virgin Palace from now on? Other than you, the rest will also be in the saintly Virgin Palace?" Yun chujiu asked.

"There are twenty people on duty in the saintly Virgin Palace. The rest will be on duty in other places in the Netherworld Palace." You Chi did not hide anything.

Yun Chujiu's heart moved, she smiled and said, "It's great that you are on duty in the saintly Virgin Palace. From now on, Let's play hide-and-peek! "I find your hiding place every day when I have nothing to do. If I find it before five o'clock every day, you will lose 100 Nether Stones to me. If I don't find you, I will lose 100 Nether Stones to you. What do you think?"

You Chi and the others were dumbfounded. Was this Lin Chuchu crazy? Who would play hide-and-peek with you? Besides, you are the successor of the saintly Virgin Palace. Why Don't you learn from the saintly Virgin Palace? Why Don't you play Hide-and-peek with us, Sheng NV?

“What? Are You Afraid? I didn’t expect that the guards of the Hall of the Netherworld wouldn’t dare to accept the challenge. How disappointing!” Yun chujiu curled her lips and said.

A scholar could be killed but not humiliated. Hearing Yun Chujiu’s words, the guards were also motivated to win. They looked at each other and said, “Miss Chujiu, we will accept the challenge!”

“That’s right!” I’m not bragging. I’m an expert at playing hide-and-seek. Even if you hide in the crevice, I can still find you! You guys continue to hide. I’m leaving! See You Tomorrow!” Yun Chujiu said and jumped away.

You Chi and the others looked at Yun Chujiu’s back. They felt that their brains must have been kicked by a donkey just now to agree to such a ridiculous bet. However, they felt that they had been careless this time, yun chujiu would not be able to discover them next time.

The next day, Yun Chujiu finished her breakfast and walked out of the courtyard. Zhi Hua and Zhi Qin quickly caught up with her. “Miss Chujiu, where are you going?”

“I’m just walking around. The Saintess didn’t forbid me from leaving the courtyard, right?” Yun Chujiu said faintly. Sheng NV and Sheng NV were both stunned.

When Zhi Hua and Zhi Qin saw that Yun Chujiu’s face was gloomy, they could not help but shrink back. “No, no.”

“Since you don’t, do I have to report to you where I Go? Just look after the courtyard. You Don’t have to worry about my business.”Yun chujiu said and left happily.

It took Zhihua and Zhiqin quite a while to come back to their senses. They looked at each other. “This Lin Chuchu’s face is even scarier than Sheng NV’s. I don’t even dare to speak.”

“Yeah, I’m also quite scared. We’re just little maids. We can’t afford to offend anyone. Anyway, it’s not our fault that she went out by herself. Let’s just guard the courtyard.”

..

Yun Chujiu jumped out of the courtyard and began to stroll leisurely. Then, the secret guards were in trouble!

Whether they were hiding behind the rockery, hiding in the bushes, hiding behind the walls, or lying on the roof, they were all caught by Yun Chujiu.

Those secret guards did not know about the bet between Yun Chujiu, you chi, and the others. They were on the verge of breaking down. Was this Lin Chujiu’s brain damaged?

What did we do to provoke you while we were on duty? ! If you were to catch us all out, wouldn't that be a direct slap to our faces? If you were like this, would we still be able to have fun in the future?
