

## The Yun Family's Ninth Child is an Imp! Chapter 1713

"This idea of mine is called falling into a trap! Vice Palace Master Liu, according to my observation, after the SAINTESS heard about my background, her eyes turned red. Maybe she has some secrets. I'll start from this point and find a breakthrough!" Sheng NV said!

"However, this alone won't do. I'll tell her that I'm pretending to listen to your orders, Vice Palace Master Liu. In fact, my heart is with her. As long as you cooperate with me and complete one or two unimportant tasks..." She will definitely trust me.

After gaining her trust, I can think of a way to get the mnemonic formula! After I get the mnemonic formula, I will fall out with her! What do you think of this idea of mine? This is something that I have thought of for a few days!" Yun Chujiu said proudly.

Vice Palace Master Liu pondered for a moment, a smile appeared on his face. "Miss Chuchu is indeed extremely intelligent. It is not in vain for me to have such high hopes for you. This idea of yours is very good. Go ahead and do it. If you need my cooperation, you only need to send a message to Zheng Mama."

"Vice Palace Master Liu, although you are broad-minded and do not doubt the people you use, in order to prevent you from having any misgivings, I will swear an inner demon oath!" "I, Lin Chuchu, swear to the heavens that I will be loyal to Vice Palace Master Liu. If I violate this oath, I will be struck by lightning and die a horrible death!" Yun Chujiu said solemnly.

Vice Palace Master Liu had a trace of doubt in his heart, but now it was completely dispelled, the smile on his old face also became more sincere. "Miss Chuchu, then I'll wait for Your Good News! After I get my hands on the mnemonic chant, I'll help you become the Saintess once and for all."

“Thank you, Vice Palace Master Liu. I’ll definitely gain the trust of the SAINTESS as soon as possible. Please wait for the Good News!”The smile on Yun Chujiu’s face was also very sincere.

After the conversation between the two ended happily, Zheng Mama asked the maid to send Yun Chujiu back to the Saintess’ palace.

“Vice Palace Master Liu, that Lin Chuchu won’t play any tricks, right?”Zheng Mama was a little doubtful. She had a feeling that something was not right.

“Lin Chuchu is just an orphan girl. She won’t be able to stir up any trouble. Moreover, she has already made an oath in her heart. She doesn’t dare to do anything to let me down. “Her method is very good. She will definitely be able to get the incantation. Moreover, I am also looking forward to the expression on that Slut’s face when she finds out that she has been deceived!”Vice Palace Master Liu’s face revealed a sinister sneer.

Hearing Vice Palace Master Liu’s words, Zheng Mama also felt that it was very reasonable. She put down the doubt in her heart and prepared to see Yun Chujiu’s next move.

After Yun Chujiu entered the saintly Virgin Palace, she didn’t go back to the dormitory. Instead, she went straight to the main hall of the saintly Virgin Palace.

At the entrance of the main hall, the maid on duty saw Yun chujiu and bowed, "Miss Chujiu, no one is allowed to enter the main hall. Please leave."

"You also said that no one is allowed to enter. I'm not an idle person. I'm a busy person! Quickly go in and inform the saintly virgin that Lin Chujiu is asking to see the saintly virgin. She has something important to tell her." Sheng NV said

The two maids on duty looked at each other. One of the maids said, "Miss Chuchu, please wait for a moment. This servant will go in and report to Sheng NV."

A moment later, the maid walked out. "Miss Chuchu, Sheng NV is not feeling well today. You should come back another day!"

Yun chujiu blinked her eyes. This beautiful mother of mine is really difficult to deal with. This move of hers to avoid meeting her is to adapt to all kinds of changes. She can't even see her own person. Even if she has some tricks up her sleeve, she can't do it.
