

## The Yun Family's Ninth Child is an Imp! Chapter 1714

Yun chujiu blinked her eyes, and then her eyes turned red, tears fell from her eyes. "What? Sheng NV is not feeling well? Oh My God! How could such a thing happen? Sheng NV is sick, and I have to go in to visit her. Otherwise, I won't be able to eat well and sleep!"

The maid obviously did not expect Yun chujiu to say so, and quickly said, "I will pass on Miss Chujiu's thoughts to Sheng NV. But Sheng nv needs to rest, so please go back, Miss Chujiu!"

Wow, this maid's reaction is pretty good! Unfortunately, you met me, Yun Chujiu!

"What are you talking about? Do you think I will make a big fuss when I go in? Can't I just visit you? Is It Sheng NV who doesn't want to see me or you, a slave, deliberately making things difficult for me? Don't tell me you want something from me?" Yun Chujiu said angrily.

The maid was so scared that she kneeled on the ground. "Miss Chuchu, I didn't mean that. Sheng nv really needs to rest and not be disturbed!"

"Humph!" "Nice!" "I think you two are trying to get something out of me. Tell me, how much do you want to pay me to see Sheng NV?" "I've heard that the King of Hell is easy to deal with, but I don't know what that means. Now I finally understand!"

"No wonder the Saintess didn't summon me these days. Maybe she wanted you to inform me, and then you all hid it!" Sheng nv thought! "Otherwise, how could such a kind person like the SAINTESS neglect

me, the successor?”? “Alright, since I can’t see the SAINTESS, then I’ll go see Vice Palace Master Liu. I believe he’ll be very interested in you two brats,” Sheng NV said

The two handmaidens’ heads were covered in cold sweat, and they were even trembling. One of the handmaidens hurriedly said, “Miss Chuchu, this servant will go in and report. Please wait a moment.”

After saying that, the handmaidens ran inside as if they were running for their lives!

In the main hall, the Saintess and Yi Mama were talking.

“That Lin Chuchu has been fooling around with those secret guards all day recently. I think she’s also a playful person. She was called out today. She must have been reprimanded by Liu Huanhua before she came to my place.”

“Sheng NV, the young master is indeed very resourceful. This move of avoiding her is something that Lin Chuchu can’t do anything about. No matter how many evil ideas she has, she won’t be able to use it.”

Sheng nv thought of her husband and her eyes revealed a touch of tenderness. “Not bad, this move of avoiding her is indeed not bad. That Lin Chuchu doesn’t seem to be a resilient person. She will retreat after a few times.”

As the two of them were talking, a maid ran in in panic, "Sheng NV, help!"

Yi Mama angrily rebuked, "What's wrong with panicking? ! What Happened?"

The maid repeated what Yun Chujiu said, then knelt down and said, "Sheng NV, if Miss Chuchu really went to find Vice Palace Master Liu, our lives will be lost! Please save us!"

Sheng nv slammed her palm on the table, "This Lin Chuchu is really detestable! She is simply a scoundrel! The grand successor of Sheng NV actually threatened two maids!"

"Sheng NV, why don't you let her in and just send her away with a few words? Otherwise, it would be easy to get something on her." Yi Mama saw that the maid was scared out of her wits, so she tried to persuade her.

"Well, in that case, let Lin Chuchu come in!" Sheng nv said through gritted teeth.
