

The Yun Family's Ninth Child is an Imp! Chapter 1715

"Miss Chujiu, the Sheng NV wants you to go in."The maid rushed to the door of the main hall and panted.

Yun Chujiu said with a smile, "Why are you sweating all over? Are you scared by me? You guys are really honest. I'm just playing with you!"

After saying that, Yun chujiu hopped into the main hall. The two maids felt as if their hearts were going crazy. Are you playing with us? Is there such a joke? Are you trying to scare us to death! !

As soon as Yun Chujiu entered the main hall, she said anxiously, "Sheng NV, are you alright?"? I heard that you are not feeling well? What is it that you are feeling unwell from? Is it a headache or a fever? Have You Seen the doctor? Have you taken any medicine? When did you start feeling unwell? What kind of symptoms do you have..."

Sheng NV's face stiffened. "I'm much better now. Why did you ask to see me? If there's nothing else, you can leave now."

"Sheng NV, you don't know. When I heard that you were unwell, my heart felt like it was being cut by a knife! You also know that I'm an orphan. I've always envied those children who have a mother who dotes on them.

“For some reason, although I’ve never seen your appearance, I still feel very close to you. If I didn’t know that you couldn’t possibly be my mother, I really would have thought that my mother had returned! Wu Wu, little cabbage, yellow soil, two or three years old, no mother...” Yun Chujiu started singing miserably, wiping her tears as she sang.

Sheng NV’s heart was already thinking about her adopted daughter whom she had not seen for many years. How could she bear this? She also started crying.

Yun chujiu stole a few glances at Sheng NV. She thought to herself, this cheap adoptive mother seems to really love her. It was not in vain for her to go into the tiger’s Den to save her.

Yi Mama saw that Sheng nv was also crying, and Yun Chujiu was also crying. She almost went numb. What was going on? Sheng NV, didn’t you say that you would send Yun chujiu away with just a few words? Why are you crying with me?

After a while, Sheng NV took out a handkerchief to wipe her tears, she returned to her usual cold look. “Lin Chujiu, thank you for your concern for me. Since you’ve seen that I’m safe and sound, you can go back! I want to go back and rest.”

Yun chujiu suddenly raised her voice. “Sheng nv!” Although I know that there are some things that I shouldn’t say, I still want to say them for the sake of your health! You’ve been locked up in this room all day, how can you be healthy and healthy? The weather outside is so good, and the sun is so bright. You should go out for a walk! Anyway, I have nothing to do. I’ll accompany you to the garden for a walk!”

After saying that, Yun chujiu directly jumped to the side of the Sheng NV and grabbed the Sheng NV's arm to pull her out.

Even in her dreams, the Sheng NV never thought that Yun chujiu would be so bold as to directly pull her out.

Yi Mama was about to go up and pull Yun chujiu away, unexpectedly, Yun chujiu yelled at Yi Mama, "Yi Mama! Don't forget your identity! I, Lin Chuchu, am the successor of the Sheng NV. The Sheng NV is my master and my mother! What's wrong with me accompanying my master and my mother for a stroll in the garden? Get lost!"

Yi Mama did not dare to take another step forward. Yun Chujiu was right. Yun Chujiu was the master and Yi Mama was the slave. If she really tried to drag Yun chujiu away, she would be offending her superior!

The SAINTESS snorted coldly and was about to push Yun chujiu away. "Sheng nv!" Unexpectedly, Yun Chujiu said with a cheeky smile, "Saintess, if you push me away, I will lie on the ground and not get up. Do you think Vice Palace Master Liu will say that you are too narrow-minded to accept me? When the time comes, he might directly use this excuse to cripple you!"
