

## The Yun Family's Ninth Child is an Imp! Chapter 1716

"Good! Very good! Lin Chuchu, I have underestimated you! I will accompany you to admire the flowers and see what tricks you are playing!" Sheng NV had never seen such a scoundrel before, at that moment, there was nothing she could do except to say some harsh words. She could only let Yun Chujiu walk out of the main hall of the saintly Virgin Palace while holding her arm.

When the two maids on duty at the door saw Yun Chujiu and the Saintess walk out with their arms in hand, they were so shocked that their mouths could not close!

Didn't they say that the SAINTESS did not like this Lin Chuchu? Why did the two of them walk out with their arms in hand? Moreover, the smile on Lin Chuchu's face was too bright. Could it be that the SAINTESS had changed her attitude towards Sheng nv? Since that was the case, they had better go in and inform Sheng NV as soon as possible if Lin Chuchu came again in the future. Otherwise, the SAINTESS might blame them.

If the two handmaidens saw the angry look under Sheng NV's veil, they would not think so. However, Sheng nv only showed her eyes, so they had this wonderful misunderstanding.

Yun chujiu walked with Sheng NV. Whether it was the handmaidens or the guards hidden in the dark, they were all dumbfounded. Damn it, when did Lin Chujiu and Sheng nv become so close?

Yun Chujiu's mouth was not idle. "Saintess, do you feel much better after coming out for a walk?"

“As the saying goes, happiness is a day, and unhappiness is also a day. Why Don’t you live a day happily? You have to be happy!”

“Also, people should always bask in the sun, or else their bodies will get worse! Especially people with old illnesses. If they always stay in the room, their illness will definitely worsen.”

Sheng nv suddenly stopped in her tracks and stared at Yun chujiu with a malicious gaze. “Lin Chujiu, no matter what your motive is, if you set your eyes on him, I won’t forgive you!”

Yun chujiu giggled. “Sheng NV, what are you talking about? I don’t understand! Hurry up, we’re almost at the garden, let’s go admire the flowers! Yi Mama, remember to tell the maids to prepare pastries, tea, and spirit fruits, Sheng nv wants to eat!”

Yi Mama snorted in her heart, Sheng nv wants to eat? ! You want to eat, right? ! She originally thought that this Lin Chujiu was a gluttonous and playful little girl, but she didn’t expect that she was actually a little scoundrel!

Seeing that Yun Chujiu didn’t answer her question, Sheng nv naturally didn’t say anything more. Although many people knew of Yun Zhangqing’s existence, it was still inappropriate to mention it openly.

Yun chujiu “Accompanied”sheng nv to admire the flowers for a while, then said with a smile, “Sheng NV, you must be tired, right? Let’s go to the gazebo to rest for a while.”

Sheng NV snorted and agreed. At first, she was very angry, but later she also became numb. It was true that all these years, she had been afraid all day and rarely had the leisure to admire the flowers. After walking for a while, she seemed to feel much more relaxed.

Yun Chujiu and Sheng nv came to the pavilion. There were pastries, spiritual fruits, and tea on the stone table. Yun Chujiu poured Sheng nv a cup of tea, poured herself a cup, and then drank it in one gulp.

“It’s really good tea!”Yun Chujiu said with a look of enjoyment.

Sheng nv snorted, “It’s just a cow chewing peonies!”

“Sheng NV, you are too knowledgeable!”! This description was too appropriate! My admiration for You is like a torrential river. I have never met a woman as beautiful and talented as you. You are my idol!”Yun chujiu blinked her starry eyes and said.

Sheng NV was stunned!

She had never heard such undisguised flattery in her entire life. She could not tell what she was feeling at the moment.
