

The Yun Family's Ninth Child is an Imp! Chapter 1717

"Sheng NV, please have some tea! I want to see what tea tasting is. Alas, as a motherless child, no one taught me what tea tasting is. All I know is that I can eat my fill and wear warm clothes." Yun Chujiu's eyes were slightly red, she pretended to be strong and said.

Seeing this, Sheng nv thought of her poor adopted daughter and couldn't bear to say something sarcastic. She picked up the Teacup and started drinking tea.

The Sheng nv explained some knowledge about tea to Yun chujiu while drinking. Yun chujiu asked a few questions from time to time, and the atmosphere between the two of them was very warm.

After a while, Yun Chujiu took the initiative to say, "Sheng NV, we have been out for quite a while. You should go back and rest! Why doesn't Yi Mama Hurry up and serve the Sheng nv back? You really don't have any eyesight!"

Yi Mama's heart was like a muttering dog. Did this Lin Chuchu really think of her as her master? What do you mean she doesn't have any vision at all? It was you who dragged Sheng nv into the garden, okay? You're pretending to be a good person now!

Sheng nv only realized then that she had actually chatted with Yun chujiu for such a long time. She couldn't help but feel a little annoyed and said coldly, "Yi Mama, let's go back!"

Yun chujiu eagerly went forward and held the Sheng NV's arm. "Yi Mama is old, and her limbs are not very flexible. Let Me Send You Back!"

The Sheng nv could not be bothered to argue with her. She thought to herself that she would think of a way to send Yun chujiu away when they reached the main hall.

Unexpectedly, when they reached the main hall, Yun Chujiu said with a smile, "Sheng NV, I won't go in with you. Have a good rest after you go back!"

Sheng NV was stunned and subconsciously asked, "What are you going to do?"

Yun chujiu showed a surprised expression, "Sheng NV, are you reluctant to leave me?"? I originally wanted to go and play with the secret guards. If you are reluctant to leave me, I won't go. I will accompany you to have a chat. If you want to give me a meal, that's fine too."

Sheng nv finally swallowed the word "Get lost" that was about to come out of her mouth. She said coldly, "You are thinking too much. I am just asking casually."

Yun Chujiu's small face immediately revealed a disappointed expression. "Oh, since you don't need me to accompany you, then I'll leave!"

Yun chujiu lowered her head and turned her head three times before leaving. For some reason, Sheng nv couldn't bear to see her leave, so she steeled her heart and walked into the main hall.

Sheng NV went straight to the study room. Yun Zhangqing saw that Sheng NV's eyes were a little red, so he asked with concern, "Biyun, what's Wrong?"

Sheng nv sighed. "Lin Chuchu came to see me today. When I saw her, I couldn't help but think of our little jiu. I felt that this Lin Chuchu was also a child with a hard life, so I couldn't bear to say anything more."

"Oh? Didn't I tell you to avoid meeting her? Why did you still meet her?" Yun Zhangqing asked in confusion.

Sheng nv told him what had happened, then, she said, "Little Jiu was also a bit of a scoundrel during the competition. But I think this Lin Chuchu is even more scoundrel than little jiu. I reckon she'll come back tomorrow. Just thinking about it gives me a headache."

"Biyun, according to what you said, Liu Huanhua must have been in a hurry to get the mnemonic chant, which forced that Lin Chuchu to get close to you. The reason she got close to you was to gain your trust and then get the mnemonic chant. "So, try not to see her. "Even if you see her, try not to talk to her," Yun Zhangqing said after thinking for a while.

“Okay, I’ll do as you say, husband.”
