

The Yun Family's Ninth Child is an Imp! Chapter 1718

When Yun Chujiu saw the Saintess enter, she immediately swept away her dejected look and hopped off to look for those secret guards. This fellow had recently become addicted to this kind of picking a fight game, she felt that it was really interesting to see those secret guards look like they had nothing to live for.

The incident that happened in the Saintess' palace quickly reached Vice Palace Master Liu's ears. Vice Palace Master Liu was very happy. This Lin Chuchu was really quite capable. She had actually made progress so quickly. If this continued.., he believed that she would soon be able to gain the Saintess' trust and obtain the mnemonic chant. It was only a matter of time before she would be able to do so.

The next day, the SAINTESS waited for a day with slight anxiety in her heart. She was afraid that Yun Chujiu would play some tricks to pester her again. She did not expect that Yun Chujiu would not come at all. However, she did not expect that Yun Chujiu would not come at all.

At the same time that the SAINTESS heaved a sigh of relief in her heart, she also felt a faint sense of disappointment. She could not help but shake her head. What was wrong with her? It was probably because of little jiu that she had some empathy. It was obvious that Lin Chujiu harbored evil intentions. She could not be muddled.

On the third day, Sheng nv felt that Yun chujiu would definitely come. She did not expect that Yun Chujiu still did not make a move. At noon, Sheng nv still could not help but ask mama yi, "What has Lin Chujiu been busy with these two days?"

"Sheng NV, that Lin Chuchu has been eating, drinking, and fooling around with those secret guards these two days." Yi Mama didn't like Yun Chujiu to begin with, and now she was even more displeased.

Sheng nv nodded. It seemed that Lin Chuchu was just on a whim the day before yesterday. It was better this way. If she continued to pester her, she would really have a headache.

On the fourth morning, Sheng NV had just arrived at the main hall when the maid on duty rushed in, "Sheng NV, Lin Chuchu is outside asking for an audience."

"Tell her that I'm not feeling well and ask her to..."

"Sheng NV, I'm here to see you! Are you not feeling well again? Come on, let's go outside!" Yun chujiu jumped in from outside the hall and said with a smile.

Yi mama shouted angrily, "Miss Chujiu, you can't enter the main hall without Sheng NV's summons. How dare you barge in? This is too much!"

Yun chujiu blinked her eyes. "Barge in?" "I just swaggered in Here!" "Yi Mama, I won't punish you if your eyesight isn't good enough!" "Sheng NV, the weather outside is very good today. Let's go out for a walk!"

After saying that, Sheng NV shamelessly went to the side of Sheng NV and pulled her by the arm.

Yi Mama was so angry that she didn't want to do anything, but her identity was still there. She could only look at the saintess, hoping that she could punish Yun chujiu.

Sheng nv shook off Yun Chujiu's arm and said coldly, "Since you're young and ignorant, I won't pursue you this time. I'm not in the mood to go out today. You can go back!"

"Saintess, you don't want to go out?" That's great! I actually don't want to go out either, so I'll stay here and chat with you! Yi Mama, stop pretending to be a wooden stake. Why Don't you hurry up and prepare tea and snacks for Sheng NV and me?" Yun Chujiu said, she took out a small stool from her storage ring and placed it next to Sheng NV's seat. Then, she looked at Sheng nv with a smile.

The Saintess and Yi Mama were both stunned. They felt that they had underestimated Yun Chujiu's shamelessness. There was no one else who would bring a stool as a guest!

Yun chujiu took out a handful of melon seeds from her storage ring and stuffed them into the Saintess' hands. "Saintess, let's not talk while eating. Let me tell you about how I fought my way to the final victory of Sheng NV."
