

## The Yun Family's Ninth Child is an Imp! Chapter 1719

Sheng nv was confused by Yun Chujiu's shameless behavior. By the time she reacted, Yun Chujiu had already stuffed a handful of melon seeds into her hand.

As for Yun Chujiu, she was already happily munching on melon seeds.

"Sheng NV, you don't know who came up with the bad idea during the second round of training. They only serve a small amount of food at noon every day. "However, with my unparalleled wisdom, not only did I eat my fill, even my roommates followed me. Are you curious about how I Did It?" Yun chujiu asked with a smile.

Sheng nv looked at the scattered melon seeds on the ground with a dumbfounded look and asked subconsciously, "How did you do it?"

"Sheng NV, let me tell you, I was..." Yun Chujiu began to tell her story vividly. At first, Sheng NV was absent-minded, but later, she was attracted by Yun Chujiu's story and asked a few questions from time to time.

Yun chujiu touched her belly as she spoke, "Sheng NV, it's noon now. Can you give me some food? I didn't even have breakfast to see you early in the morning, and now I'm starving to death!"

Sheng NV's heart softened when she saw Yun Chujiu's pitiful look. "Yi Mama, get someone to prepare lunch."

Yi Mama could only order the maids to prepare lunch.

Soon, the food was served.

Yun chujiu didn't know what courtesy was. She ate happily and said, "Sheng NV, the food here is really good."

Sheng nv glanced at her and said, "The food I usually give you is the same as mine. How come the food here is so delicious?"

"Sheng NV, you don't know this. The key is not what to eat but who to eat with. If I eat with you, even if it's just plain food, I think it's Delicious." Yun Chujiu said with a smile.

Sheng nv looked at Yun Chujiu's eyes and couldn't help but be stunned. For a moment, she felt that this pair of eyes in front of her was exactly the same as the young little jiu.

Sheng nv shook her head. How could this Lin Chuchu be little jiu? She must have been thinking too much recently, so she had hallucinations.

Yun chujju picked up a lot of food for Sheng nv with the chopsticks. “Sheng NV, you have to eat more. No matter what you do, this body is the first. “I always put food first. That’s why I went from a little orphan girl to Sheng NV’s successor.”

Sheng NV’s eyes twitched. Nonsense. Sheng NV’s successor was not a foodie.

Although Sheng NV’s face was cold, she still ate all the Food Yun Chujiu picked up.

Yun Chujiu was secretly happy. This beautiful mother was the kind of person who was cold on the outside but warm on the inside. She was the best at dealing with such a person!

After the meal, Yun Chujiu held the saint’s arm and said, “Saint, if you walk 100 steps after the meal, you will live 9,900 years. Let’s go for a walk in the garden.”

The saint was indeed a little stuffed, so she did not shake off Yun chujju this time. She followed Yun chujju out of the main hall of the saint’s Palace.

Yun chujju chirped along the way, as happy as a bird released from a cage. The saint could not help but be infected, and her mood also became happy.

Yun chujiu accompanied the Saintess to walk around the garden a few times. After sending the SAINTESS back to the main hall, she hopped off Sheng NV.

Seeing that Yun Chujiu had left, yi mama immediately said, "Saintess, that Lin Chujiu clearly has bad intentions. Aren't you being too lenient with her?"
