

The Yun Family's Ninth Child is an Imp! Chapter 1720

Sheng nv sighed. "I know I shouldn't get too close to her, but I really can't bear to reject her. Besides, she's just accompanying me to talk and walk around the garden. I know what to say and what not to say."

"Sheng NV, you're too kind! That Lin Chuchu is an ingrate. If you can't bear to do it, she'll definitely harm you and young master in the future!" Yi Mama advised earnestly.

Before Sheng nv could say anything, the door of the main hall was pushed open, yun chujie walked in with a smile. "Yi Mama, it's not a good habit to speak ill of others behind their backs! Fortunately, the person you met was me. If you met someone cruel and merciless, you would be dead!"

Yi Mama and Sheng nv were shocked. "You, why are you back?"

"I came to get my stool!" They didn't expect to hear such explosive content. Yi Mama, I didn't Offend You, did I? Why do you always target me? Which of your eyes can tell that I look like an ingrate? I see that you look like a big-tailed Wolf!"

Yi Mama's old face turned red, she said with some exasperation, "Miss Chuchu, you know whether you are sincere or pretending! Although I am a servant, if you want to harm our Sheng NV, I will not spare you even if I risk my life!"

“Of course I mean it. How about I play with those secret guards?” “Aiya, since you’ve said it like this, I’ll tell you the truth!” “Sheng NV, do you think I’m one of Vice Palace Master Liu’s Men?” Yun chujju gritted her teeth, she looked determined.

Sheng nv and Yi Mama were stunned. Sheng nv frowned. Since Lin Chuchu had made it clear, there was nothing to hide, so she said indifferently, “Aren’t you? How can an orphan girl without a background win in the end? Isn’t it because of Vice Palace Master Liu’s secret instructions?”

Yun chujju smiled, “Sheng NV, it’s not impossible for you to say that. Vice Palace Master Liu naturally helped me to get to the end! After all, an orphan girl without a background is the best candidate to be a puppet.”

The Saintess was shocked when she heard yun chujju say the word “Puppet”. What did this Lin Chujiu Mean?

“I didn’t expect you to be so self-aware. Let’s not talk about whether you’re a puppet for now. Vice Palace Master Liu must have arranged a mission for you, right? Do you want to get the chant to summon the Netherworld Shrine? Give up on that thought! Even if I die, I won’t tell you,” Sheng NV said coldly.

“Sheng NV, you’re too smart! You’re absolutely right. That Old Bastard, Vice Palace Master Liu, told me so.”

Sheng nv staggered and almost fell down. Old Bastard? Was this Lin Chuchu crazy? How dare she insult Vice Palace Master Liu?

“Lin Chuchu, what exactly do you mean?” Sheng nv asked in confusion. She could not understand the little girl in front of her.

“Sheng NV, don’t you understand what I mean? I’m on your side! That Vice Palace Master Liu is an old bastard! An old bastard! For his own selfish desires, he has repeatedly provoked disputes with the Tian Yuan continent and caused the deaths of countless people!

Most importantly, he was just a deputy hall master. What right did he have to lock you up? What right did he have to cover the sky with one hand? This was blasphemy against the spirit of the Netherworld!

Although I, Lin Chujiu, am not a great hero, but I am also a member of the Netherworld continent. How could I possibly help the evil? I pretended to listen to his arrangements. In fact, I wanted to cooperate with you to kill that old bastard!” Yun Chujiu said indignantly.
