

The Yun Family's Ninth Child is an Imp! Chapter 1723

When Vice Palace Master Liu heard Yun Chujiu's words, he was stunned at first, then, he smashed the desk with his palm. "What you said makes sense! No wonder there hasn't been any progress for so many years! So that's what she has in mind! If it wasn't for you, Miss Chuchu, who enlightened me, I would still have been kept in the dark! It's really detestable to the extreme!"

"Vice Palace Master Liu, I'm just guessing! Perhaps I've wronged her. You should interrogate her yourself after I've brought her out!" Yun Chujiu said hesitantly.

Vice Palace Master Liu snorted coldly. "What you said is most likely true. Otherwise, there wouldn't have been so little progress. When she's driven out of the saintly Virgin Palace, I'll send someone to interrogate her then."

"Vice Palace Master Liu, in that case, I'll take my leave first. I still have to plan carefully when I go back. It's better to be safe than sorry."

"Zheng Mama, send Miss Chuchu back to the saintly Virgin Palace."

"Yes!"

Yun Chujiu followed Zheng Mama out of the courtyard. Yun Chujiu said with a smile, "Zheng Mama, do you have something to say to me?"

“Miss Chuchu, this old servant has really underestimated you!”! “However, this old servant still has to give you a piece of advice. It’s fine if you do your best to work for Vice Palace Master Liu. If you have any thoughts that you shouldn’t have, vice palace master Liu’s thunderous anger is not something you can bear.”

Yun chujiu sighed. “Zheng Mama, I’m an orphan girl with no background. What thoughts shouldn’t I have? I just want to complete Vice Palace Master Liu’s mission!”

“If that’s the case, it’s naturally for the best. This old servant is just reminding you,”Zheng Mama said lightly.

“Then thank you for your reminder, Zheng Mama! I will always remember my identity.”

After Yun Chujiu returned to the dormitory of the saintly Virgin Palace, she lay on the bed and sorted out her thoughts.

Although there were some clues before, she really didn't expect that she was Vice Palace Master Liu's person. The beautiful mother was really easy to deceive! She had actually been deceived for so many years!

How could she expose her? It was really quite troublesome!

Yun chujiu thought for a long time but did not come up with any good ideas. This fellow had always been a big-hearted person. If she really could not think of anything, she might as well wash up and go to bed.

The next morning, Yun Chujiu woke up feeling refreshed.

This fellow lay on the bed and continued to think of ways. Finally, his eyes lit up. He turned around and jumped up. After a simple wash up, he went to see the SAINTESS.

When Yun Chujiu arrived at the main hall, the Saintess and Yi Mama were chatting idly. When they saw Yun Chujiu come in, Sheng NV's eyes lit up, yi Mama said, "Miss Chujiu, today is the fifth day. I wonder how the beautiful thing you said is going?"

"Ah! Don't mention it! I have overestimated myself too much. Yesterday, I tried to find a way to see that old B * stard, Vice Palace Master Liu, but I got nothing,"Yun chujiu sighed and said.

“Humph! Miss Chuchu, are you lying to the Saintess?” Asked Sheng NV? Vice Palace Master Liu is now the King of Sheng NV. Would you help the Saintess to deal with Vice Palace Master Liu for the so-called justice? The reason you lied was to gain the Saintess’ trust, right? “Saintess, this Lin Chuchu is full of lies. Please don’t fall for her trick!” Said Yi Mama angrily.

Sheng nv frowned, she looked at Yun Chujiu. “Lin Chuchu, what Yi Mama said is not without reason. I Can’t believe you just because you said something without saying anything. Come see me again when you finish your so-called beautiful task! You can go back now!”
