

The Yun Family's Ninth Child is an Imp! Chapter 1724

Yun chujiau blinked her eyes and said, "Sheng NV, just because we can't do business doesn't mean that I can't do it tomorrow. "Well, Yi Mama, I haven't had breakfast yet. Hurry up and get me something to eat. I'm starving."

Sheng nv and Yi Mama were speechless at Yun Chujia's ability to talk to herself, sheng NV's tone became even harsher. "Lin Chuchu, don't you understand what I'm saying? Come see me again when you've done the beautiful thing you said."

"Sheng NV, you... you really want to kick me out? Alright, Alright, I'll tell you the truth. Actually, I don't have the ability to do anything beautiful. I just... I just want to stay with you a little longer!"

"I know. Because I can't get the mnemonic chant, Vice Palace Master Liu Will Chase Me Out of the Netherworld Palace sooner or later. He might even kill me. Before I die, I want to experience the feeling of having a mother again. SOB, SOB, since you don't like me..." "Then I'll leave. I deserve to be the unlucky one who doesn't have a mother!" Yun chujiau cried as she spoke. Her small shoulders trembled, as pitiful as she could be.

Sheng nv could not take it anymore. Although she knew that this little girl might have bad intentions, she still could not make up her mind. She sighed and said, "Forget it. If you're willing to stay, then stay! However, you don't need to dream about the mnemonic chant."

Yun chujiau immediately smiled. "Sheng NV, I just need to stay by your side. I'm not interested in the mnemonic chant!"

Yi Mama curled her lips. "Miss Chujiu, no one can beat your ability to lie through your teeth. Aren't you interested in mnemonics? Aren't you afraid of being struck by lightning?"

Yun chujiu glanced at Yi Mama. "Yi Mama, are you brainless? Why Don't you learn your lesson? What right do you, a servant, have to tell me what to do? Do you think you can make the decision of Sheng NV? "I want to chat with Sheng NV. Get out of here right now, or don't blame me for being rude!"

Yi Mama flew into a rage out of humiliation and glared at Yun Chujiu, then, she said to Sheng NV, "Sheng NV, this Lin Chuchu is obviously up to no good. You Can't indulge her like this anymore! Besides, she wants to chase me out in front of you. She doesn't care about you at all."

"You Old Woman, you're really annoying!" "What's wrong with me and Sheng nv having a few words alone?" "I'm puzzled. You follow Sheng nv like a follower all day long. Are you protecting Sheng NV or spying on Sheng NV?" Yun chujiu curled her lips and said.

Suddenly, Yi Mama was like a cat that stepped on its tail. She retorted loudly, "You! You're talking nonsense! Sheng NV, this Lin Chuchu wants to sow discord between our master and servant. It's really too detestable!"

Yun chujiu giggled and said, "Hey, what are you so anxious for? I was just guessing. Why are you reacting so strongly? Don't tell me you really have something to hide? Why are your eyes so wide? Don't tell me you want to bite me?"

Sheng nv saw that the two of them were arguing more and more. She said coldly, "Alright! Sheng NV, you can go down first. I will talk to her for a while."

Hearing the Saintess' words, a trace of indignation flashed in the eyes of Sheng NV, and she left the main hall after taking her leave.

Yun Chujiu said with a volume that could be heard by Sheng NV, "Saintess, you're really too wise! That old devout Granny, Yi Mama, clings to you all day long. She says that she's protecting you, but I think she might be one of Vice Palace Master Liu's people!"
