

## The Yun Family's Ninth Child is an Imp! Chapter 1726

It was not until sunset that Yun chujiu skipped dinner and left.

Just as Nanny Yi was about to explain, sheng nv said, "I am very tired today. We can talk about it tomorrow!"

Sheng NV stood up and left the main hall. Yi Mama's eyes flickered and she gritted her teeth and left.

Sheng nv saw Yun Zhangqing, she told him everything, "Husband, after Lin Chuchu said that, I really remembered a few things. Only the two of us and Yi Mama knew about these things, but Liu Huanhua found out about them. Did Yi Mama really betray me?"

Yun Zhangqing thought for a moment, then he said, "According to what you said, Yi Mama is indeed suspicious. No matter what motive Lin Chuchu had, it would be good if we could really prove that Yi Mama was a traitor. After all, if Yi Mama was really a traitor, it would be too dangerous for us."

Sheng nv nodded. "Husband, that Lin Chuchu has too many evil ideas. I Can't see through this little girl now. I don't know which of her words are true and which are false. "But, I just can't bear to treat her, Sigh!"

"I guess you saw that she was about the same age as Xiao Heiniao, so you felt pity for her. Look at the outcome of the matter with Yi Mama this time, and then we can discuss how to treat Lin Chuchu!" Yun Zhangqing comforted her.

..

After Yun chujiu hopped back to the dormitory, Xiao Heiniaio used his spiritual sense to ask, “Master, how did you know that there was something wrong with Yi Mama? Did she reveal any flaws?”

Yun chujiu giggled. “I didn’t find any flaws in her. I just felt that she was a little displeasing to the eye!” Although she looked like a loyal saintess, there were a lot of things that she was a little over the top. One look and you could tell that she was restless! “I was just testing that old B \* stard, Vice Palace Master Liu. I didn’t expect him to say it himself.”

“Master, if the Jin family hasn’t replied, what do you plan to do?”

“Of course it’s to catch the head of the Snake First! Find a way to capture that old B \* stard, Vice Palace Master Liu, and then think of a way to control his direct descendants. The rest of the matter will be easy to handle.”

Although Yun Chujiu seemed to be fooling around these days, she had been thinking of countermeasures. The number of disguising pills was limited, and they could not be delayed forever. Moreover, there was no way to explain things to the Tian Yuan Academy even if they delayed for too long.

“Master, it’s not that I want to pour cold water on you, but there are not many people in Xiao Heiniaos inner circle. Although he has the help of the Old Man of Heaven Lake, his spiritual power has been reduced in the Netherworld continent. Can he control the situation?”The little black bird asked worriedly.

Yun chujiu smiled slyly. “What are you afraid of? Aren’t You Chi and the others? Do you think I have nothing better to do than play hide-and-seek with them ? This is called emotional investment ! Of course, you can also understand it as: Simmer it slowly, boil the frog in warm water, and subtly influence it...”

Xiao Heiniaos, silent.

The black-hearted masters brain was not a humans at all. I originally planned to play some tricks, but for the sake of his little life, he had better stop in the future.

The next morning, after the Saintess had breakfast, she came to the main hall. Yi Mama was already waiting outside the main hall. Sheng nv was waiting for her in the main hall.

“SAINTESS, that Lin Chuchu obviously has bad intentions. She is trying to drive a wedge between our master and servant. My loyalty to you can be seen by the sun and the Moon. You Can’t fall into her trap!”Yi Mama said with Snot and tears.
