

The Yun Family's Ninth Child is an Imp! Chapter 1727

"I have my own judgment. You Don't have to say anymore." If the Saintess had seen Yi Mama like this in the past, she would have felt a little sorry, but perhaps it was because of psychological reasons. Now that she saw her like this., she only felt that it was very awkward to be pretentious.

Seeing the Saintess' cold attitude, Yi Mama's heart tightened. Could it be that the SAINTESS had already suspected her? No, it couldn't be. She had not revealed any flaws for so many years. How could she suspect her just based on Lin Chuchu's Words? She must have thought too much.

Just as Yi Mama was thinking about it, she heard a clear voice say, "Saintess, I'm Here! Did you miss me?"

Yi Mama turned around and saw that it was Yun chujiu. She snorted coldly and said, "Miss Chujiu, did you learn all those etiquette for nothing? You actually barged in without being notified by the maid. It's really beneath your dignity."

Yun chujiu blinked her eyes and said, "Yi Mama, you've Wronged Me! This was approved by Sheng NV. Sheng nv dotes on me and specially approved me to come in without being notified in the future!"

"What? ! You're lying! This is impossible! Sheng NV, is what Lin Chuchu said true?" Yi Mama looked at Sheng NV in disbelief.

Unexpectedly, Sheng nv nodded and said, "That's right. I think I have a good relationship with Chuchu, so I allowed her to come in directly without being notified in the future."

"Saintess, this... This Lin Chuchu harbors evil intentions toward you. How can you be so muddle-headed?" Yi Mama raised her voice.

"Yi Mama, are you questioning me?" Sheng nv said unhappily.

"I don't dare. I was just in a moment of impatience. Please forgive me, Saintess!" Yi Mama also noticed that her tone was a bit extreme, so she quickly knelt down to beg for forgiveness.

"Forget it. This is the only time. It Won't happen again!" Yi Mama, although you've been with me for a long time, Chuchu is still my master. Pay attention to your attitude when you speak to her in the future. If you continue to insist on doing things your way, Don't blame me for not remembering our old friendship! "Go down and prepare breakfast for Chuchu!" The SAINTESS said coldly.

Yi Mama's old face was red. She stiffly said "Yes" and then walked out of the main hall.

Yi Mama's face was very gloomy. Sheng NV, Oh Sheng NV, you are too heartless! Although I have betrayed you a few times in the past, do you think you would still be alive if I hadn't meddled in the past few years? I didn't expect you to turn your back on me after hearing Lin Chuchu's words of provocation. It's really chilling!

Yi Mama's expression changed a few times and she gritted her teeth. She would observe for a few more days. If Sheng nv still acted like this, then don't blame her for being ruthless. If one doesn't do for oneself, the heavens will destroy the earth!

Not long after, Yi Mama brought a maid to bring breakfast over.

Yun Chujiu ate happily. While eating, she said, "Saintess, I told you. The food here is still the best, Sheng NV."

The saintess said gently, "Since it's good, then you should eat more. In the future, you can eat three meals a day at my place."

"That's great! Saintess, you're really too good to me!"

..

Seeing that Sheng NV and Yun chujiu were getting along well, the hatred in Yi Mama's heart spread like poisonous weeds, and her expression became gloomy.

Suddenly, she heard Yun chujiu say, “Yi Mama, why do you look so ugly? Don’t tell me you don’t want me to come here to freeload?”

Yi Mama had to force a smile and said, “Miss Chuchu misunderstood. It’s just that I’m not feeling well today.”
