

The Yun Family's Ninth Child is an Imp! Chapter 1730

Yi Mama's mind spun a few times. If she wanted to get the mnemonic, she had to think of a way to get Sheng nv away and then find a way to get it from Lin Chuchu.

Just as Yi Mama was racking her brain for a way, Sheng nv suddenly said, "Chuchu, I just remembered something. I'll be leaving for a while. You have to memorize it and never leave the main hall. Do You Hear Me?"

"Saintess, don't worry. Although I'm Naughty, I know this is a big deal. I Won't act Rashly. You Go!" Yun chujia said confidently.

The Saintess instructed Sheng nv a few more times before she left.

Yi Mama quickly jumped onto the roof and carefully restrained her aura.

When the SAINTESS arrived at the entrance of the main hall, she paused for a moment. Yi Mama was so nervous that cold sweat broke out on her forehead. Fortunately, the Saintess left after a brief pause.

Yi Mama saw that the Saintess had gone far away, so she jumped down from the roof and peeked through the crack of the door. She saw that Lin Chuchu was seriously reciting the chant inside Sheng NV.

Yi Mama gritted her teeth. Victory or defeat depended on this move. This Lin Chuchu was only at the eighth layer of the Spirit sect. It would be effortless to take her down. She had to get the chant first.

Thinking of this, Yi Mama pushed the door open and walked in.

When Yun Chujiu saw Yi Mama, she couldn't help but be a little stunned. "Yi Mama, what are you doing here? Didn't I tell you not to come in?"

"Miss Chuchu, the SAINTESS was worried that it would be too dangerous for you to recite the chant here alone, so she sent this servant to protect you," said Yi Mama with a smile.

"Is that so? The SAINTESS is really good to me! But this chant is not for everyone to read. Stay away from me!" Yun chujiu waved the piece of paper in her hand and said proudly.

Yi Mama's lowered eyes flashed with ruthlessness, "Yes, Miss Chuchu, just recite it in peace. I will stay away from you."

As expected, after Yi Mama finished speaking, she stood about ten meters away from Yun Chujiu. Only then did Yun chujiu lower her head and continue to recite.

Just as Yun Chujiu was diligently reciting, she felt a gust of cold wind blow at her. She hurriedly retreated and avoided it, but the paper in her hand was also snatched away by someone.

“Yi Mama, you, what are you doing?” Yun chujiu looked at Yi Mama in surprise.

Yi Mama kept the paper in her hand into her storage ring, she sneered, “What Am I doing?” Of course, she was going to ask for credit from Vice Palace Master Liu with this mnemonic! Lin Chujiu, let’s not beat around the bush. Although you and I are both Vice Palace Master Liu’s people, you should never go against me. So this credit is mine! And you, just wait to be kicked out of the Netherworld Hall!”

“You! You’re Shameless! I was the one who got it! I will tell Vice Palace Master Liu the truth. I don’t believe that Vice Palace Master Liu will believe you without any reason!” Yun Chujiu said angrily, her eyes were red with anger.

Seeing Yun chujiu like this, Yi Mama became even more proud. “Do you think Vice Palace Master Liu Believes You or me? I have endured humiliation and hid for more than ten years. You are just a little girl who has just entered the palace!”

“You’re simply too despicable! We’ll see! Vice Palace Master Liu Will Definitely Punish You!” Yun chujiu was so angry that she stomped her feet.

Yi Mama looked at her with contempt. “You really don’t understand Vice Palace Master Liu. Vice Palace Master Liu is the most realistic. He’s only good to people who have value to him. Once there’s no value

to him, he'll kill you. This is also the reason why I've stayed by the Saintess's side for so long. If you hadn't come out halfway, I wouldn't have made a move."Sheng nv looked at Yi Mama with disdain
