

## The Yun Family's Ninth Child is an Imp! Chapter 1732

Sheng nv said indifferently, "Yi Mama, I gave you a chance. It was you who didn't grasp it! "If you had given up on betraying me when I asked you to leave, I would have let bygones be bygones on account of our master-servant relationship. Unfortunately, you didn't hesitate to betray me for your own benefit. Therefore, you brought this upon yourself!"

"I brought this upon myself? Sheng NV, you are ruthless! Let's wait and see!" At this point, Yi Mama was about to leave.

Unexpectedly, Yi Mama's feet suddenly staggered, and then Yun Chujiu jumped over and threw a fireball at her.

Yi Mama's first reason was that her feet were unstable, and secondly, she was completely unprepared. Therefore, she was hit by Yun Chujiu's fireball. She quickly rolled on the ground to extinguish the fireball, and Yun Chujiu shot out a few more fireballs.

"Sheng NV, what are you still standing there for? Why aren't you making a move? !"

The Sheng nv only reacted when she heard Yun Chujiu's shout. She raised her hand, and a crane materialized from spiritual power pounced on Yi Mama.

Although Yi Mama was a spirit paragon, she could not withstand the combined efforts of Yun Chujiu and the Sheng NV. In less than fifteen minutes, she was burned into ashes by Yun Chujiu's fireball.

Sheng NV was still in a daze. “Chuchu, although this Yi Mama deserved to die, we killed her. What if Liu Huanhua did it for you?”

“Don’t worry, I have an excuse to deal with him! Sheng nv, get someone to clean up the main hall. I’ll go see Vice Palace Master Liu,” Yun Chujiu said indifferently.

Sheng nv could tell that Yun Chujiu had an idea after this incident, so she didn’t say much. She just told Yun Chujiu to be careful.

Yun chujiu walked out of the main hall, took out the sound transmission talisman, and gave it to Zheng Mama. Zheng Mama found an excuse to take Yun chujiu out of the saintly Virgin Palace.

Yun chujiu followed Zheng Mama to see Vice Palace Master Liu and said directly, “Vice Palace Master Liu, I, I have made a big mistake. Please Punish Me!”

Vice Palace Master Liu was stunned. “Miss Chuchu, why do you say that? I heard that you and the SAINTESS have been getting along very well recently. What crime did you commit?”

“Vice Palace Master Liu, in order to gain the Saintess’ trust, I was going to drag out Sheng NV, but unexpectedly, she was so angry that she wanted to kill the SAINTESS. I had no choice but to help the Saintess kill Sheng NV. I made the decision without permission. Please Punish Me!” Yun Chujiu looked guilty.

Vice Palace Master Liu was stunned at first, then, he laughed out loud. “Good kill! Good Kill! Miss Chuchu, you did the right thing. This time, you helped the Saintess kill Yi Mama. The Saintess will definitely trust you more. It Won’t be long before you can get the mnemonic chant! As for that Yi Mama, she dared to deceive me for her own selfish interests. She deserved to die!”

Yun Chujiu’s eyes widened in surprise. “Vice Palace Master Liu! I, I don’t even know what to say! You, you are really too lenient! “Don’t worry, I Promise You That I will be able to obtain the chant to summon the Netherworld shrine in no more than a month! “If I can’t do it, I’ll be at your disposal!”

“Miss Chuchu is indeed a straightforward person. Good, then I’ll wait for Your Good News! “Zheng Mama, send Miss Chuchu back to the saintly Virgin Palace!”! “In the future, if Miss Chuchu has any requests, feel free to fulfill them!” Vice Palace Master Liu thought about how his long-cherished wish was about to be fulfilled, his heart was very happy.

Zheng Mama wanted to remind Vice Palace master Liu a few words, but when she thought about how Vice Palace Master Liu was getting more and more obstinate, she held back her temper.
