

The Yun Family's Ninth Child is an Imp! Chapter 1736

"You may leave. Don't let anyone in without being notified. Don't Disturb Chushu's breakfast." Sheng nv knew that Yun chujiu wanted to talk to her about something, so she ordered.

"Yes."

The maids all left and closed the door of the main hall.

Yun chujiu ate a few mouthfuls randomly and then ran to the door. She made a big red cloth to cover the gap of the door.

Sheng nv was confused. What was Lin Chujiu doing?

After Yun Chujiu came back, she took out the isolation array from her storage ring. After opening it, she said with a smile, "Sheng NV, are you satisfied with the beautiful thing I did yesterday?"

"Chuchu, although you helped me get rid of Yi Mama, I can only trust you 70% . I can not give you the chant to summon the Netherworld Shrine," Sheng nv said and stared at Yun Chujiu, wanting to see her reaction.

Unexpectedly, Yun chujiu giggled. "I'm not interested in that stupid chant. I only want you, Saintess!"

The SAINTESS was dumbfounded. "You Want Me? What do you mean?" Sheng nv asked

Yun chujiu plopped to the ground and knelt. Her eyes turned red. "Mother! I'm Your Little Jiu!"

The SAINTESS suddenly stood up from the chair and slowly sat back down, a cold smile appeared on her face. "Lin Chujiu, what kind of trick are you playing? Is this Liu Huanhua's new idea? What did you do to Little Jiu?"

Yun chujiu wiped her tears with her sleeve. "Mother, I'm really your little jiu! I took a disguise pill, so my appearance has become like this. If you don't believe me, I'll show you a bolt of lightning!"

After saying that, Yun chujiu waved her hand to the side, and a bolt of purple lightning struck a chair, and the chair instantly turned into ashes.

The SAINTESS was slightly trembling, but she still said coldly, "Liu Huanhua really went to a lot of trouble to find you, who also has a heavenly thunder spirit root, to deceive me. I Won't believe you!"

Yun Chujiu took out a jade pendant from her storage ring. "Mother, you should know this, right? After you and father went missing back then, grandfather finally found this jade pendant with great difficulty. He said that father brought it with him."

Sheng NV took the jade pendant with trembling hands. Although she believed it in her heart, she still hesitated. "You, are you really Xiao Jiu? No, that's impossible. Xiao Jiu is far away in the Tian Yuan continent. How could she come here?"

"Mother, I caught a seed when I caught Zhou. You have been teasing me with this matter ever since. "Also, when I was young, I loved to eat the seven-colored cake you made for me. But you were afraid that my teeth would hurt, so you only let me eat one when I performed well. I remember all this!"

When the Sheng nv heard this, she almost pounced on Yun Chujiu and said with a trembling voice, "Little jiu? Are you really my little jiu? Am I Dreaming?"

"Mom, Little Jiu came to save you! Little Jiu is useless. I came late and made you and dad suffer for a few more years. Little Jiu will definitely be filial to you in the future!"

When the Sheng nv heard Yun chujiu say this, she hugged Yun chujiu and cried, she cried so hard that she almost fainted. "Silly child, mother is useless! "All these years, mother has been thinking about you day and night. She has been thinking about whether you will be bullied, whether you will starve or freeze. Mother's heart is almost broken!"

Yun Chujiu's heart was sour and sweet. Was this motherly love?
