

The Yun Family's Ninth Child is an Imp! Chapter 1737

Yun Chujiu saw that Sheng nv was crying very sadly and was afraid that she would break down from crying. She broke out into a smile and said, "Mother, can you take off your mask? I want to see if you are really my mother!"

Sheng nv glared at her and took off the mask on her face. Yun chujiu immediately exclaimed, "Mother, why do you look so good? ! You are simply not human!"

Sheng NV's face stiffened. Was this child happy? Why did he scold her for not being human?

"You're like a fairy descending to the mortal world!" "Mother, although I think I'm pretty good-looking, compared to you, I'm like Heaven and Earth. No wonder my father lured you back home!" Yun Chujiu said with a smile.

Sheng nv scolded with a smile, "What nonsense are you talking about? ! You're already so old, you can't even speak properly."

After Yun Chujiu's banter, Sheng NV's emotions calmed down a little, then, she wiped her tears and asked, "Little Jiu, how did you come to the Netherworld continent? You're too bold. Liu Huanhua hates you to the bone. If he finds out, your life will be in danger!"

Yun Chujiu then briefly told Sheng nv what had happened. Sheng nv was stunned and felt that her brain was not enough. Little Jiu had single-handedly infiltrated the Netherworld Palace, and then passed

through all the obstacles to become the final successor of Sheng NV? And she had even fooled Liu Huanhua? She had casually uncovered Yi Mama, who had been hiding by my side for many years?

“Beautiful mother, although I’ve fooled Vice Palace Master Liu for the time being, there’s no guarantee that he’ll react in time. Therefore, we have to find a feasible way to kill him as soon as possible.”

“Little Jiu, your mother’s mind is in a mess right now. You’re smart, so I’ll do whatever you say.” Sheng nv felt that her little jiu was simply too powerful.

“Mother, the most important thing for us to do now is to join forces. I’ve contacted the Jin family previously, but they haven’t replied to me. I’m afraid that they might not be able to help us.”

“I’ve invested in the secret guards of the saintly Virgin Palace. I’ve also started to build up the momentum. When the time comes, there should be some people who can help us.” “But, even if we add in those spies of your son-in-law, our strength is still very weak. So, we must plan carefully and hit the target with one strike.” Yun Chujiu said.

The Holy Maiden’s mind was attracted by the words “Your son-in-law”. She asked in surprise, “Sheng NV, you and that Di beiming are already married?”

“No!”

“Then why did you say that he is my son-in-law?”

“What else can I say? I Can’t say that I’m good with him, right?”Yun chujiu blinked her eyes and asked.

Sheng nv..

“Mother, your focus is off. Our priority now is to find a way to kill that old B * stard, Vice Palace Master Liu. As for your son-in-law’s problem, we can talk about it later.”

The SAINTESS nodded. “Sheng NV, before we take care of Vice Palace Master Liu, there’s one more thing to solve, and that’s your father’s cold poison.”. “Liu Huanhua, that B * stard, used the power of the Netherworld to hurt your father in order to blackmail me. Your father needs to take the pills provided by Liu Huanhua regularly, otherwise, the cold poison will take effect and he’ll lose his life.”

Yun Chujiu said with a smile, “Cold poison? Mother, don’t worry. The cold poison is just a piece of cake for me. I promise to get rid of it!”

Sheng nv frowned. “Nonsense!”! The cold poison was very overbearing. It could only be resolved if one could cultivate the power of the Netherworld or take a special pill to slowly remove it. However, the spiritual herbs needed for that kind of pill were very scarce. How could you cure it?”
