

The Yun Family's Ninth Child is an Imp! Chapter 1739

“Mother, there’s a special spiritual medicine called the nine heavens true dragon blood-transforming vine. Its juice tastes like this. Don’t worry, your son-in-law drank this well! “However, don’t put this medicine outside. It’s better to put it in the storage ring.”

Xiao Heiniaoy inside the spiritual beast bag almost burst out laughing. The black-hearted master was really a waste of a name. Nine Heavens True Dragon? It was clearly your blood, alright?

After Yun Chujiu went back yesterday, she let out some blood, but she was afraid that she would be exposed, so she added some water and some spirit medicine that didn’t have much effect.

Hearing Yun Chujiu’s words, the SAINTESS was relieved. Once she heard that the nine heavens true dragon blood-transforming vine was a very high level spirit medicine, this medicine would definitely be effective.

After the SAINTESS put away the porcelain bottle, she said to Yun chujiu, “Little Jiu, mother remembered something when she went back yesterday. In order to show their submission to the Netherworld Hall, the Jin family gave the Jin family’s most precious treasure, the Dragon Roar Sword, to my father. Now that the Dragon Roar Sword is in my hands, do you think you can use this sword as a condition?”

Yun Chujiu’s eyes lit up. “We can try this. With the Longyin Sword, Jin Zhi’s father is quite well-known. Let me communicate with Jin Zhi.”

These days, Yun Chujiu had not contacted Jin Zhi. This guy was very shrewd. This was also a game process. Whoever lost their cool first would lose the initiative.

“Beauty Jin Zhi, did you go to get married and have children? Why hasn’t there been any movement?” Yun chujiu said in a ruffian manner.

Soon, the sound transmission talisman began to vibrate, jin Zhi’s voice came from inside, “Nonsense!” After I told my father about your proposal, my father was a little tempted, but the elders in the clan didn’t agree. They thought that the risk was too great, so I didn’t reply to you.”

“Beauty Jin Zhi, I have already formed an alliance with the Sheng NV. The Sheng nv now treats me as her own daughter.”. “Sheng nv heard about our relationship and decided to give you the Jin family’s Longyin Sword as a gift. When we meet again, I will give you the Longyin Sword,” Yun Chujiu said with a smile.

On the other side, Jin Zhi did not reply for a long time. Yun chujiu knew that Jin Zhi must have gone to find her father. She was not stupid. How could sheng NV give her such a heavy gift for no reason? This was clearly a condition in exchange.

Yun Chujiu did not hurry. She knew that there would not be a reply for a while. She said to the SAINTESS, “Mother, the Jin family will probably need to discuss for a few days before there is a result. I have something to ask you.” Sheng NV was stunned

The SAINTESS was stunned. "What is it?" Sheng nv asked

"Do you still remember how Qing Lan tricked Jin Zhi and me into the forbidden area a few days ago?" Sheng nv asked? "Jin Zhi and I did enter the forbidden area, but I found a secret passage. There are two exits in the secret passage. One leads to the pavilion in the garden, and the other leads to an unknown place. I am going to take a look. Perhaps it will help us."

Sheng nv was shocked. "What? There's a secret passage in the forbidden area? How come I don't know about it?"

Sheng nv couldn't help but feel lucky. Fortunately, there was a secret passage. Otherwise, she would have personally framed little jiu. It was really a close call.

"I'm also very puzzled. I thought there were some treasures, but there were only two secret passages. I guess the person who dug the secret passage must be full." Yun chujia curled her lips and said.

Sheng nv glared at her. "Don't talk nonsense! "This secret passage must have been dug by our ancestors. Maybe it has some special purpose! "Tomorrow is the first day of the Lunar New Year. I want to enter the forbidden land to deliver the spirit stones for worship. At that time, I'll take you in under the pretext of teaching you the process of worship. Let's see where the other secret passage leads to."
