

## The Yun Family's Ninth Child is an Imp! Chapter 1744

"Miss Chujiu, thank you for your reminder, but most of the guards of the saintly Virgin Palace don't like Vice Palace Master Liu. They won't betray us."

"That's right. Look at how pitiful the SAINTESS was just now. She forced the SAINTESS into such a state. Vice Palace Master Liu will be punished sooner or later,"said Sheng NV

..

"Even so, you should be careful. I'm going to find other people's hiding places."Yun Chujiu touched her chin. Oh My, she didn't expect her beautiful mother to have such an unexpected gain! Sure enough, people sympathized with the weak.

After saying that, Yun chujiu hopped away. However, when she found the other secret guards, she sighed and told them about what happened today. When she saw the indignant expressions of the guards.., yun chujiu secretly gave herself thirty-two likes.

On the other side, after the SAINTESS carried Yun Zhangqing back to the rear hall, Yun Zhangqing woke up soon after Sheng NV.

"Husband, husband, how do you feel?"The SAINTESS asked anxiously.

“I feel more comfortable than I’ve ever felt in many years.” Yun Zhangqing said with a smile.

The SAINTESS was finally relieved. “It seems that Little Jiu’s medicine is very effective. I’m relieved. I was scared to death just now! I carried you to find Liu Huanhua. Fortunately, Little Jiu appeared and stopped me.”

“Biyun, is that Lin Chuchu really little jiu? Am I Not Dreaming?” Yun Zhangqing felt as if he was dreaming. Although he knew that this was the truth, he still needed to verify it.

The SAINTESS could only repeat Yun Chujiu’s story again. Yun Zhangqing could not help but laugh loudly. “Good! Good! As expected of our good daughter!”

Yun Zhangqing asked some more questions, and then asked in puzzlement, “Biyun, you asked me to call you wanqing previously. What’s going on? Is this also related to Little Jiu?”

The Saintess couldn’t help but blush. She gritted her teeth and said, “Little Jiu said that Biyun is birth control. That’s why we haven’t had any children.”

Yun Zhangqing’s face stiffened, and a thought flashed through his mind. His obedient daughter seemed to have grown askew..

The next morning, the SAINTESS brought Yun Chujiu to the forbidden land, Sheng NV.

When it was time, the SAINTESS began the worship ceremony.

Sheng nv kneeled on the futon respectfully and pulled Yun Chujiu. "Little jiu, kneel down!"

Yun chujiu pouted and knelt down unwillingly. She thought to herself, that damn spirit of the Netherworld is not a good thing. It's too cheap!

Sheng NV took out a lot of top-grade spirit stones from her storage ring and placed them on the altar. Then, she said something like praying for the spirit of the Netherworld to protect her.

Yun chujiu looked at the shining top-grade spirit stones on the altar and her claws felt a little itchy. "Mom, Will the spirit of the Netherworld really take these top-grade spirit stones?"

"Of course. Where else would those top-grade spirit stones go? Let's go and take a look at the secret passage you mentioned," Sheng NV said.

A thought flashed through Yun Chujiu's mind, but it only lasted for a moment. When she wanted to capture it again, she couldn't remember. She could only move the altar away and bring Sheng nv into the secret room.

The SAINTESS could not help but click her tongue in wonder when she went down to the secret room. She did not expect that there was such a secret room under the Divine Hall. who was the one who built it?

Yun chujiu followed the previous method and let the SAINTESS stand at the place where Jin Zhi stood last time. She found the enchantment and said, "Beautiful mother, this is the enchantment of the tunnel!"
