

The Yun Family's Ninth Child is an Imp! Chapter 1756

Di beiming was very nervous. Although he tried his best to calm down, he was still a little stiff. He walked to the Saintess and Yun Zhangqing and bowed, "Sheng NV, Sheng NV."

Although the SAINTESS and Yun Zhangqing wanted to interrogate Sheng NV, but the time and place were not allowed, so they just nodded and greeted Sheng NV.

Yun chujiu snickered and then said to the SAINTESS, "We will act according to the original plan and catch them off guard."

The SAINTESS nodded and said to the people behind her, "From now on, you will listen to Sheng NV's arrangements."

"Yes!"

"Catch the leader first. After we rush out, we will go straight to vice palace master Liu's courtyard!" Yun chujiu stopped laughing and her aura suddenly changed.

Whether it was the SAINTESS, Yun Zhangqing, or the secret guards, they were all shocked. In their impression, Yun chujiu was a cheerful little monster. They didn't expect that once she became serious, she would actually become so imposing... Sheng NV, she was even more imposing than the SAINTESS.

The crowd was stunned by Yun Chujiu's imposing aura. They held their breaths and focused their attention as they followed Yun Chujiu to rush out.

The entrance of the saintly Virgin Palace to the hall of the Netherworld was guarded by a team of guards. As it had been safe and sound for so many years, they were very lazy. Only two people were left to watch the night while the rest went to find a place to sleep.

Therefore, Yun Chujiu and the others killed the two guards silently and then headed straight for Vice Palace Master Liu's courtyard.

The palace master had a special sleeping palace. Vice Palace Master Liu might be guilty, or he might not have a proper name. Therefore, he did not stay in the sleeping palace. Instead, he chose a large courtyard and stayed there after renovating it.

When Yun Chujiu and the others arrived at Vice Palace Master Liu's courtyard, the guards who were guarding the courtyard realized that something bad had happened. They issued a sharp warning and the guards from all over rushed over.

Vice Palace Master Liu also jumped out of the house when he heard the noise. When he saw the SAINTESS who was standing at the front, he understood a little. However, when he saw Yun Chujiu, he was so angry that he was trembling, this Lin Chuchu was actually an ingrate!

“Lin Chuchu, I treated you well. You actually helped the Saintess to deal with me?” Sheng nv asked

“Vice Palace Master Liu, this matter is not my fault. A kind person like me naturally can’t stand to see you bullying the SAINTESS. The SAINTESS is the true master of this Netherworld Palace. You are just a scoundrel who has taken over the nest of the magpie. Now, the master doesn’t want to indulge you. Are you going to surrender obediently or let me kill you?” Yun Chujiu crossed her arms, shaking his toes, he said arrogantly.

“Humph! With just a few of you? Since you’re courting death, I don’t have to worry about anything! Go!” Vice Palace Master Liu saw that Yun Chujiu and the others only had a few hundred people, so he did not care at all.

Di beiming took the lead and rushed toward Vice Palace Master Liu. He would not admit that he wanted to show off in front of his future parents-in-law!

Vice Palace Master Liu saw Di beiming rushing over and could not help but feel a little suspicious. Who was this person? Although his spiritual power seemed to be around the fifth level of the Supreme Spirit realm, his aura was really overbearing. Where did that Slut Dongfang Wanqing find a helper?

“Who are you? What benefits did Dongfang Wanqing promise you? As long as you surrender obediently, I will let bygones be bygones!” Vice Palace Master Liu saw Di Beiming’s imposing aura and wanted to persuade him to surrender.

Di beiming did not reply. He thought to himself, 'The Saintess has given me a good wife, do you have one??'

Vice Palace Master Liu saw that di beiming did not speak and thought that he was wavering, he then said, "There are only a few hundred of you. My Netherworld Hall has thousands of secret guards. You have no chance of winning. If you know what's good for you, quickly surrender!"
