

The Yun Family's Ninth Child is an Imp! Chapter 1757

Before Vice Palace Master Liu could finish his sentence, the sound of fighting could be heard from outside the Netherworld Palace. Dharma Protector Zhao's voice came from Vice Palace Master Liu's voice transmission talisman, "Palace Master! We are surrounded by the Jin family's guards! The Jin family has rebelled!"

Vice Palace Master Liu's head buzzed. Before he could reply, di beiming had already launched a spiritual power attack at him. A huge ice dragon pounced on him.

Vice Palace Master Liu hurriedly dodged. Di beiming and vice palace master Liu were entangled in a fight. Although di Beiming's spiritual power was limited in the netherworld continent, his cultivation base at the fifth level of the supreme being realm was not low, vice Palace Master Liu could not gain any advantage for the time being.

"Dongfang Wanqing, you B * Tch! You actually colluded with the Jin family!" Vice Palace Master Liu cursed as he fought with di beiming.

"Aiyo yo, Vice Palace Master Liu, you have wronged the Sheng NV, and the Jin family hook up is not Sheng NV but me! Do you remember Jin Zhi? I don't know her, we're best friends! It's all thanks to you. If it weren't for your selection of Sheng NV's successor, I wouldn't have known Jin Zhi. It's all your doing!" Yun chujiu bared her little white teeth, she said smugly.

Vice Palace Master Liu was so angry that he gritted his teeth. "Lin Chujiu! You swore a poison oath in front of me. Aren't you afraid of being struck by lightning?"

Yun chujiu pointed at the sky with a smile. "The heavens have eyes. Even if they were to strike you, they would still strike you, a heartless bastard!"

After Yun Chujiu was done being angry, Vice Palace Master Liu turned to the guards and said, "All of you listen to me. You are now trapped inside and outside. Those people at the border have also been trapped by the people of the Tian Yuan continent. If you want to live, surrender obediently! "Moreover, the SAINTESS is the master acknowledged by the spirit of the netherworld. If you don't want to be punished by the spirit of the Netherworld, then surrender obediently. I guarantee that we won't let bygones be bygones!"

Other than a portion of Vice Palace Master Liu's direct descendants, the attitude of the rest of the guards was somewhat relaxed. They were just trying to make a living. It was the same for everyone. Seeing that Vice Palace Master Liu's side was at a disadvantage.., naturally, when the tree fell, the monkeys would scatter.

Vice Palace Master Liu was so angry that he gritted his teeth. He wanted to stop Yun Chujiu from continuing to incite his subordinates. However, di beiming was very difficult to deal with and there was no way he could get rid of him.

Who was this person? Why was this ice dragon so difficult to deal with?

Wait, Ice Dragon? Could it be... could it be di beiming? This... How was this possible?

Vice Palace Master Liu looked at the secret guards again. The Aura on their bodies was extremely similar to that of the secret guards of the Hall of Immortals. Furthermore, there were not many of Dongfang Wanqing's direct descendants. These people must be from the Hall of Immortals!

"Di Beiming!" How dare you collude with Dongfang Wanqing to subvert our Netherworld Palace! Everyone, watch carefully. This person is di beiming from the hall of Immortals of the Tian Yuan continent! Those people are all secret guards of the Hall of Immortals! Don't be deceived by him! Dongfang Wanqing actually colluded with the hall of Immortals to deal with our own people. This slut's crime can not be pardoned!" Vice Palace Master Liu shouted loudly, there was a hint of excitement in his voice. With this flaw, those secret guards would definitely switch sides.

As expected, when those secret guards heard Vice Palace Master Liu's words, they immediately became restless. After all, no matter what Vice Palace Master Liu did, this was still an internal matter of the Netherworld continent. If the temple of Immortals were to intervene, what would happen?

When Vice Palace Master Liu saw this, he was stunned, he could not help but be overjoyed. "Everyone, now is the time for us to unite against the outside world. The SAINTESS has colluded with the temple of Immortals. She is not worthy to be the Saintess of our Temple of Immortals! Hurry up and take them down with me!" Sheng NV said
