

The Yun Family's Ninth Child is an Imp! Chapter 1767

An Feng's heart was filled with tears as he went down miserably.

Di beiming was conflicted in his heart. His original body had already said that he would give his body to her, so why didn't Little Jiu have any reaction? Could it be that she didn't want to marry him?

No, after he went back, he had to get someone to betroth him as soon as possible. He had to settle the title first so that he wouldn't be kidnapped. At that time, not only would his in-laws send the betrothal gifts, he would also send the betrothal gifts to Little Nine's grandfather. That way, there would be no mistakes!

When di beiming thought of this, he finally calmed down and went to deal with the tasks assigned to him.

Yun chujiu hopped into the main hall and indeed saw Mo Wanwan and the other two waiting in the hall.

Yun Chujiu's Transfiguration Pill had lost its effect and she had recovered her original appearance. Therefore, when Mo Wanwan and the other two saw Yun Chujiu, they couldn't help but be stunned.

"What? You Don't know me? I Am the peerless and extremely intelligent chujiu of your generation!" Yun Chujiu said with a smile.

When Mo Wanwan and the other two saw this shameless attitude, they confirmed that this was without a doubt Lin Chujiu!

Although the three of them had confirmed Yun Chujiu's identity, they were still very cautious. They had all heard that Lin Chujiu was actually Yun chujiu from the Tian Yuan continent, the adopted daughter of the SAINTESS, and also the fiancée of the Palace Lord of the Sheng nv., the future wife of the Hall Master.

Yun Chujiu said with a smile, "Whether I am Yun Chujiu or Lin Chujiu, the feelings between the four of us will not change. Quickly sit down, I will tell you about my heroic deeds!"

The corners of Mo Wanwan's and the other two's eyes twitched. This show-off was indeed the same as before. However, they were also very curious, so they let Yun Chujiu start bragging.

Yun chujiu was bragging for quite a while, then, they got to the main topic. "Wanwan, Lu Qin, and Ying Han, the reason why I called you here is to ask if you are willing to work in the Netherworld Hall?" "You also know that after the cleansing of the Netherworld Hall, many positions have been vacant. There are many positions that are best filled by women, and you are the best candidates."

Mo Wanwan and the other two were naturally very eager. They were all from a small family, and the reason why they participated in the selection of Sheng NV was to jump through the Dragon Gate like a carp. Yun chujiu had given them such a good opportunity, so of course they were willing to accept it.

Yun chujiu chatted with the three of them for a while, and then asked Mama Qi to bring them to perform their duties.

This Mama Qi was the one who had tested Yun chujiu and the others' etiquette. Yun chujiu had a very good impression of this mama qi, so she suggested to the Saintess to let Mama Qi take the place of the original Yi Mama.

Yun chujiu looked at the backs of Mo Wanwan and the other two, and could not help but sigh in her heart. She was afraid that she would not be able to get back her old best friend relationship, because Yun chujiu could see from the three people's eyes that they were more respectful and reserved, friendship was secondary.

Fortunately, Jin Zhi was a heartless person and did not hold any grudges because of Yun Chujiu's true identity. She even wanted to go to the Tian Yuan continent.

Everything was carried out in an orderly manner. Yun Chujiu asked the Saintess to blow up the passage under the Sheng NV to prevent any trouble in the future.

The guards at the border were just as Yun Chujiu had expected. They had long been fed up with the suffering at the border. As soon as they heard that the two continents had made peace, they immediately retreated.

The Jin family had become the number one family in the Netherworld continent. However, Jin Mantang was a shrewd man. He was afraid that the sudden expansion of the Jin family would cause suspicion from the Netherworld Hall, so he took the initiative to ask Jin Zhi and Yun Chujiu to go to the Tian Yuan Academy to study together.
