

The Yun Family's Ninth Child is an Imp! Chapter 1770

Di beiming ordered his subordinates to return to the temple of Immortals while he escorted Yun chujiu back to the academy.

The people of Tianyuan Academy already knew that the battle at the border had ended. They had also heard about Yun Chujiu's matter. After all, this rumor spread the fastest.

What?

Yun chujiu sneaked into the Netherworld Palace alone? !

Not only did she sneak into the Nether World Hall, but she was also chosen to be the successor of Sheng NV? !

What?

Yun chujiu was actually the adopted daughter of Sheng NV of the Nether World Hall? !

Yun Chujiu helped Sheng NV to annihilate vice palace master Liu and his direct descendants? !

Oh My God, Yun Chujiu was not human! She was a monster among monsters! How could a little girl do something that many mighty figures could not?

Therefore, as soon as Yun Chujiu's flying spirit tool landed, everyone from the Tianyuan Academy immediately gathered around. Some students spontaneously shouted, "Little ninth fairy is mighty!"

"Little ninth fairy is the number one in the world!"

"Little ninth fairy is unparalleled in the world!"

..

If Yun Chujiu had a tail behind her, she would probably have gone up to the sky by now. It took her a lot of effort to suppress the corner of her mouth that had curled up. She dismounted the flying spirit tool with a pretentious look on her face and even waved at the crowd in a decent manner.

When Jin Zhi saw this scene, she could not help but be shocked. Little Jiu was actually so popular in the Tianyuan continent? Even the Saint Lady was only So-so in the Netherworld continent!

An Feng saw that Jin Zhi was standing at the entrance of the Flying Spirit Tool in a daze, so he could only remind her, "Jin, Miss Jin Zhi, you, you should also go down."

Jin Zhi nodded and walked down from the flying spirit tool. She was very puzzled in her heart. Why did di beiming find a stutterer to be his confidant? Could it be that there was something out of the ordinary?

After Yun Chujiu was done acting cool, she and di beiming followed Dean Huangfu to the living room.

Yun Chujiu introduced Jin Zhi to Dean Huangfu. "Dean, there's no need for Jin Zhi to participate in the entrance test, right? Her situation is special. She can be considered an exchange student from the Netherworld continent! We can also send students to study in the Netherworld Academy in the future. This is called exchanging needs!"

Dean Huangfu thought to himself, 'you sure know how to find excuses, but there's no problem in accepting Jin Zhi. After all, if anything goes wrong, the temple of Immortals will take care of it.' Hence, he smiled and said, "Since that's the case, Jin Zhi can directly be inserted into your fifth grade Xuan Class! You've wasted quite a bit of time this time. The semester is almost over."

Yun chujiu thanked him and said, "Lord Dean, how do you plan to deal with Deputy Dean Yin and Yin Xinlian?"

Yun Chujiu had obtained sufficient evidence from Si Tushi to prove that Deputy Dean Yin and vice palace master Liu were in cahoots. Although Yin Sulian was not directly involved, she had helped to do a lot of things, therefore, she immediately thought of a way to inform Dean Huangfu. Dean Huangfu had already locked up Deputy Dean Yin and Yin Sulian.

Dean Huangfu sighed, "Since the evidence is conclusive, we naturally have to kill them. Thinking back to when the Netherworld continent invaded, Yin Haoyu was considered a hero when he charged into battle. I didn't expect that he would betray the Tian Yuan continent for his own interests."

Yun Chujiu did not feel emotional. That old B * Stard had repeatedly harmed her. If she did not kill him, would she still be alive for the New Year? !

Yun Chujiu's heart stirred as she thought of something. "Dean, I heard that teacher Ji Sha's cultivation was originally at the level of a spirit paragon. Later on, something unexpected happened and his spirit energy was reduced to the level of a spirit saint. It is said that he is related to Yin Haoyu. What is going on?"

Dean Huangfu couldn't help but sigh when he heard Yun Chujiu's question. He recounted what had happened.
