

## The Yun Family's Ninth Child is an Imp! Chapter 1771

After the incident at the Netherworld Palace, Deputy Dean Yin's actions became more and more flamboyant. Teacher Ji Sha was quite stubborn, and after ruining deputy Dean Yin's good deeds a few times, he was hated by Deputy Dean Yin.

Three years ago, Deputy Dean Yin had deliberately set up a trap, asking teacher Ji Sha to take the initiative to help the academy's spirit herb garden find a spirit herb called Ice Poria. Ice Poria was a spirit herb that grew on top of ten-thousand-year-old cedar, and it only existed in the far north.

At that time, after Dean Huangfu and the others heard about it, they advised Ji Sha not to go. Although there were people living in the extreme north, the place where the ten-thousand-year-old cedar grew was very remote, and it was the deepest part of the ice plains. It was really very dangerous.

Ji Sha's personality was stubborn, and he did not listen to everyone's advice and insisted on going. Dean Huangfu had no choice but to let him go.

Unexpectedly, after nearly a year, Ji Sha only returned. His spirit energy had changed from the third level of the Supreme Spirit Realm to the ninth level of the spirit saint realm, and his entire person had become a lot more haggard.

Dean Huangfu asked him what had happened, but he didn't say anything. Dean Huangfu asked him a few times, but he couldn't get anything out of him, so he just let him be.

He looked more and more dispirited. If it weren't for Yun Chujiu's provocation after entering the school, he would have looked like a slob all the time.

Yun chujiu blinked her eyes. "Ah, I thought that old B \* Stard Yin haoyu poisoned teacher Ji Sha. Since it wasn't him, that old B \* Stard is useless now. Let's just kill him! "That Yin Sulian is a brainless person. Even if she's alive, she's still suffering. Let's kill her as well!"

If it was in the past, Yun Chujiu might have let Yin Sulian live. However, ever since the incident with Zhuo Piaoyu, Yun Chujiu knew that in this world where the strong preyed on the weak., if she was merciful to her enemies, it would be cruel to herself. She had to get rid of the root of the problem.

After chatting for a while, dean Huangfu suggested that di beiming personally execute Yin haoyu and Yin Sulian. Di beiming nodded in agreement.

Soon, the guards brought Deputy Dean Yin and Yin Sulian up.

"Yun Chujiu! You B \* Tch! You will die a horrible death! If it weren't for you, our Yin family wouldn't have been destroyed! I will not forgive you even if I become a ghost!"Yin Sulian gritted her teeth when she saw Yun Chujiu who was becoming more and more beautiful.

"Yin Sulian, I'm too lazy to waste my breath on a brainless person like you. You said that you couldn't defeat me when you were a human, but you can defeat me when you're a Ghost? Haven't you heard of

a saying? Ghosts are afraid of evildoers! Evildoers like me are even afraid of ghosts, so you should give up on that thought! “Shut her mouth and listen to the commotion!” Yun Chujiu said lightly.

Immediately, a guard came forward and shut Yin Sulian’s mouth. Yin Sulian was so angry that she could only stare helplessly,

“Brother Huangfu, although I have a connection with Vice Palace Master Liu, I didn’t commit any major mistakes. Please spare me on account of our many years of friendship!” Deputy Dean Yin said with snot and tears in his eyes.

Dean Huangfu sighed. “If you knew this would happen, why did you do it in the first place? There is a cause and effect. You brought this upon yourselves. Do it!”

Deputy Dean Yin wanted to say more, but the guard raised his knife and died.

Di Beiming saw that the matter was settled, so he took his leave.

Yun Chujiu waved her handkerchief and sent Di Beiming away, she excitedly pulled Jin Zhi and said, “The gigolo is gone, I have regained my freedom! Let’s go, I will bring you to the canteen for a meal! Let me tell you, the food in the Tianyuan Academy’s canteen is not inferior to that of the Netherworld Hall.”
