

## The Yun Family's Ninth Child is an Imp! Chapter 1773

"What could possibly happen to me? You're thinking too much, little girl. Hurry up and go back. It's getting late!"The dry old man said impatiently.

Yun Chujiu asked a few more times, but the dry old man still didn't leak any information. Yun chujiu had no choice but to leave the dry old man's courtyard.

The More Yun Chujiu thought about it, the more she felt that something was wrong. Thus, she jumped to dean Huangfu's courtyard and said, "Dean, I feel that my master is hiding something from me. has something happened recently?"

Dean Huangfu was taken aback. "No, everything is as usual. Elder Jiang even helped me capture Yin Haoyu. I don't see anything wrong with him!" "Perhaps you are thinking too much. Elder Jiang has already recovered from his injuries. There is almost no match for him in the Tian Yuan continent. What could have happened?"

"Dean, since there is nothing unusual, let's put this matter aside for now. I want to challenge The Prodigy roll."Hearing Dean Huangfu's words, Yun Chujiu felt uncertain. Could it be that she was really thinking too much?

Dean Huangfu wasn't too surprised, he nodded and said, "The rest is in a few days. You can challenge it that day! With your current strength, it's not a problem for you to get into the top 100 of the roll. If you perform well, it's not impossible for you to get into the top 10."

Yun chujiu proudly raised her head. “Tch! What’s the point of Reading? ! I’ll challenge the Master Roll then! And I’m going for the first place in the Master Roll!”

Dean Huangfu’s eyes twitched. “Then I’ll wait and See!”

Dean Huangfu did not throw cold water on Yun Chujiu. Although the first place on the master list was not that easy to obtain, after years of observation, he found that there was nothing impossible about this monster, therefore, it was better to speak less to avoid being slapped in the face.

Very soon, it was the day of rest. Yun chujiu brought Jin Zhi and slowly rushed towards the southernmost part of the Tianyuan Academy.

The Prodigy roll wasn’t artificially ranked. Instead, there was a prodigy hall at the southernmost part of the Tianyuan Academy. After the students who were ranked entered the prodigy hall, the more passes they passed, the more points they would get.

Once the news of Yun Chujiu challenging the prodigy roll spread out, the students of the Tianyuan Academy originally wanted to go home but didn’t want to. Those who wanted to go shopping also didn’t want to go. Even those who wanted to go out for a date didn’t want to go out, they waited around the Prodigy Hall to watch the show.

The reason why they were so enthusiastic was very simple! Because they all wanted to see if Yun chujiu, this pervert, would create another perverted miracle! They wanted to see how far she could go!

Yun Chujiu saw a dark crowd from afar. This guy said to Jin Zhi, "Beauty Jin Zhi, have you seen my popularity? When they heard that I was going to challenge The Prodigy roll, these people all stood up and cheered for me!"

Jin Zhi pursed her lips. "Support me? I don't think so. They are all here to watch the Show! Do your best. Don't fail to enter the top 100. You'll drag me down with you!"

"Don't worry, I'm Not You! I'll definitely Get Beauty Jin Zhi first place!" Yun Chujiu said with a smile. The way this guy and Jin Zhi interacted was to fight each other. weren't they happy? !

When the crowd saw Yun chujiu coming over, they automatically opened a path for her. Yun chujiu walked in with swagger.

Yun Chujiu had never been here before. She thought that the pride of Heaven Palace was a magnificent palace. She didn't expect that the so-called pride of Heaven Palace was actually a thatched cottage. On the plaque, there were three crooked words: Pride of Heaven Palace.
