

The Yun Family's Ninth Child is an Imp! Chapter 1778

In order to verify if the scene before her was an illusion, Yun chujiu imagined the scene of her bullying di beiming. The scene before her did not change, so it seemed that this was not an illusion.

Since it was not an illusion, why didn't they start the test?

What Yun Chujiu did not know was that the weapon spirit of the Heaven's Pride Hall had already fainted from anger!

Oh Heavens, Oh Earth, why did he provoke such a pervert!

He wanted points to challenge the array, but this guy, she wanted his life!

That was the ten heavens nine earth myriad illusions array!

What on earth did this pervert do? ! He actually made the ten heavens nine earth myriad illusions array's rune spirit self-destruct with nothing to live for?

After a while, Qi Ling got up, he howled in pain, "Stupid girl! I'm not done with you! Not only did I give you a trillion points, I also want you to die a horrible death! I want you to never forget the shadow of death for the rest of your life!"

Qi Ling had tears in his eyes as he began his revenge.

Yun Chujiu was using a rolling pin to hit the bluestone on the ground. This guy was addicted to picking up scraps, thinking that there might be some hidden treasure room down there.

Seeing this scene, Qi Ling gnashed his teeth. Yun chujiu only felt a white light flash in front of her eyes. When she opened her eyes again, the scene in front of her made her so angry that she wanted to bang her head against the wall.

Unlike her usual experience, there were no demonic beasts or demonic plants in front of her. She was actually facing people! People wearing ancient costumes!

Those people were not cultivators, but ordinary people. They held torches in their hands and shouted loudly, "Burn this jinx to death!"

"Yes! Only by burning this jinx to death can the people in our village survive!"

“This jinx has killed her parents, and now she is trying to kill us! Only when she is dead can we have peace! Otherwise, we will all be killed by her!”

..

If she was not tied to the pillar, if she was not the jinx they were talking about, and if there were not a lot of dry wood around the pillar, Yun Chujiu would still be happy to tell them about it, something about Jinx or comet.

But, damn it, how could she keep her life now? !

Yun chujiu tried it, but her spiritual power couldn't be used at all. She couldn't use the spiritual beast bag, the immortal sword, or the talisman seal. The rope on her body was extremely strong, and it was impossible for her to break free!

Yun chujiu was still hoping for a fluke at the beginning, and she started to imagine other scenes in her mind, but it was useless. Just as Yun chujiu was frowning, a gloating voice came from her mind, “Stupid girl, this Qi Ling is kind enough to tell you a few things! First, your current points are minus one trillion, the lowest in history!

Second, unless you can make these people not only let you go, but also call you a fairy, you will only be considered to have passed this test.

“Third, if you can’t escape, you will die a horrible death! “They will burn you alive.

“Fourth, you are now an ordinary person who can’t cultivate, and a weak little girl who can’t even truss a chicken!”

Yun chujiu was so angry that she gritted her teeth. This weapon spirit was too evil. This test was much harder than killing those demon beasts. The people below were all superstitious, not to mention calling her a fairy.., if she didn’t think of a way quickly, she wouldn’t even be able to save her life!

Some villagers had already started to pour tung oil on the firewood. As long as there was a small spark, Yun chujiu would be burned alive.
