

The Yun Family's Ninth Child is an Imp! Chapter 1787

Carpenter Liu trembled as he asked, "Eldest niece, ah, no, Dragon Lady, how should we pray for blessings?"

"Don't mention the name Dragon Lady again, lest it brings more trouble! Kneel down and say, little ninth fairy, Peerless Beauty, kind-hearted, snow-white intelligence, beautiful appearance and wisdom..."

"Little Fairy Jiu, Little Fairy Jiu, we can't remember what you said!"

"Then say it, Little Fairy Jiu is peerless, beautiful and city-toppling!" Yun chujiu painfully removed the last word.

Some villagers asked in puzzlement, "Little Fairy Jiu, aren't we praying for you? Shouldn't we say that you save the suffering and save the suffering?"

"HMPH! What do you know? ! Saving people from suffering is the Guanyin Bodhisattva. Can I steal her limelight? According to what I said, hurry up, or the Heavenly Punishment will come!" Yun Chujiu said impatiently.

Although the villagers felt that something was wrong, they did not dare to say anything more. They knelt down and began to say in unison, "Little Fairy Jiu, you are peerlessly beautiful and can topple kingdoms and cities!"

Before Yun Chujiu could show off, she felt a white light flash in front of her eyes. When she opened her eyes again, she was already in the deep sea.

Yun chujiu quickly activated the water repellent bead, then, she cursed, "Damn qi ling! Will you die if you bring me here later? ! It was not easy for me to enjoy the worship of a person, and you messed it up for me, You Damn Qi Ling!"

The Qi Ling in the corner was even angrier than Yun Chujiu. She banged her head against the wall, "This Qi Ling is so angry! This Qi Ling is so angry! This stinky girl actually passed the test so quickly! are those people pigs?"?

Last night, he even burned her to death. Why did he call her a fairy so quickly? What kind of Bullsh * t was this peerless beauty that could topple the country and cities? Pah!

"Damn girl, don't think that just because you've passed the first stage, you'll definitely die in the Second Stage!"! "Moreover, HMPH, you'll only get 1,000 points after passing the first stage. Your points are still very, very low."

At the same time, the people outside the Hall of Heaven's pride discovered that Yun Chujiu's points had changed from minus one trillion to minus one trillion plus one thousand!

Everyone was dumbfounded. Could This display screen not calculate? Minus one trillion plus one thousand? Were they asking us to count it ourselves?

Of course, everyone did not have the time to count it. After all, Yun Chujiu's result was the lowest in history.

Yun Chujiu, who was being ridiculed by everyone, was currently looking around in the sea. She floated to the surface of the sea to take a look. She could not see the edge of the vast sea and did not see any demonic beasts coming over.

This fellow simply took out a large ship from his storage ring. After jumping onto the deck, he began to eat hot pot.

When the Qi Ling saw this, he was so angry that he almost fainted!

Pervert!

This pervert!

Not only did he have water repellent beads, but he also had a ship? !

Moreover, you are here to challenge the rankings, okay?

You actually ate hot pot leisurely?

You are a great insult to this Qi Ling!

Qi Ling rolled her eyes and formed a seal with her hands. A strong wind started to blow on the surface of the sea. Yun Chujiu didn't even need to eat hotpot. The entire ship was overturned by the huge wind and waves.

Yun chujiu put the ship into her storage ring and sank to the bottom of the sea.

No matter how strong the wind and waves were, they wouldn't affect the bottom of the sea. Yun Chujiu swam slowly on the bottom of the sea. She believed that Qi Ling would definitely do something. She just didn't know what kind of demon beast she was facing this time, no matter what kind of demon beast it was., with the Spirit Energy Piglet and the purple lightning in her hands, she would kill any one of them. She would kill every single one of them!
