

The Yun Family's Ninth Child is an Imp! Chapter 1789

Yun Chujiu's thoughts were pretty good, but the suction force from the whale's mouth was too strong. The seaweed that Yun chujiu was holding was pulled up by the roots, so Yun Chujiu was naturally exposed to the whale.

Yun chujiu bared her little white teeth at the whale. "Big Fish, look up! There's a mermaid!"

Fish did not have a neck, so they naturally could not raise their heads. They could only adjust their bodies so that their heads were facing up. Therefore, the saber-toothed whale turned its huge body and looked up.

Naturally, the saber-toothed whale did not see any mermaids. It was instantly enraged. It was the overlord of this sea area. How dare someone lie to it? They were simply courting death!

However, when the saber-toothed wild whale turned its huge body around, it discovered that the human girl had disappeared. The saber-toothed wild whale was so angry that it pulled out all the seaweed, but it still could not find Yun chujiu. The saber-toothed wild whale could only swim away in anger.

After a while, Yun chujiu crawled out from an abandoned mussel shell with a big pearl in her hand.

"TSK, TSK, blessed people don't need to be busy. I even made a small fortune by hiding a cat. However, this thing should be an illusion. It's probably useless in this situation," Yun Chujiu said, however, this

greedy person still put the pearl into his storage ring. He didn't care about the long-term, he only cared about having it in the past. Cough, cough.

Yun Chujiu was afraid that the saber-toothed wild whale would turn around and attack her, so she quickly swam in the opposite direction. However, even with the water repellent pearl, Yun Chujiu's swimming speed wasn't fast. This person was extremely frustrated. It seemed that she should take in an aquatic spiritual pet in the future, so that she could have a mount when she was in the water.

When this person thought of this, her eyes lit up. Wasn't there a song that sang well? There was no food, no clothes, and the enemy would come forward. She could just get a temporary mount?

Just as Yun Chujiu was thinking, she saw the water in front of her churning. Although it couldn't be compared to the saber-toothed wild whale, it made a lot of noise. It should be a high-level sea beast.

Yun chujiu still took off her spirit-concealing ring and hid behind a patch of seaweed, carefully looking out.

Yun Chujiu was happy when she saw the sea beast swimming over!

It was a 26-level golden-backed long-necked turtle. It was much more comfortable as a mount than the fish and could even sunbathe on the surface of the sea. It was really an ideal mount!

She didn't consider it at all. Her spiritual power was two levels lower than the golden-backed long-necked turtle. This guy had a mysterious confidence most of the time.

Yun Chujiu jumped out from behind the seaweed and said with a smile, "Hey, Little Bastard, I've been waiting for you for a long time!"

The golden-backed long-necked turtle was confused. What kind of person was this little human girl in front of it? Shouldn't normal people be very afraid when they saw it? Why did this little human girl look so excited?

"Little Bastard, although I can kill you with my little finger, my biggest advantage is that I'm kind-hearted. As long as you obediently become my mount, I'll spare you. Otherwise, I'll Rip Off Your Bastard Shell and bleed you!" Yun Chujiu said fiercely with a big kitchen knife in her hand.

The golden-backed long-necked turtle was both angry and amused. A little human girl without spiritual power actually dared to make a fuss with it? And she wanted this turtle to be her mount? Was this little girl crazy?
