

## The Yun Family's Ninth Child is an Imp! Chapter 1796

The golden-winged vermillion-beaked eagle was feeding the two-horned sheep to the small eagle. Although the small eagle was only born a few days ago, its appetite was not small. Soon, it ate half of the sheep.

The golden-winged vermillion-beaked eagle saw that the small eagle had finished eating, so it ate the remaining half of the sheep. However, it was obviously not full, so it prepared to go out to look for food again.

“Lord Eagle! Lord Eagle! When you come back, can you bring me some wild fruits or something? I’m not as powerful as you and the small eagle. I can’t eat raw meat.”Yun Chujiu said pitifully.

The golden-winged vermillion-beaked eagle looked at Yun chujiu with disdain, then it cried out and flew out of the nest.

Yun chujiu saw that the golden-winged vermillion-beaked eagle had flown away, so she sat down.

The small eagle opened its eyes wide and sized up Yun Chujiu. Although it was just born a few days ago, it was the cub of a high-level demon beast, so it was quite intelligent.

Yun Chujiu felt that she had to do something. It was best if it was effective immediately. She had to make the first shot.

“Small Eagle, your mother feeds you so hard every day! Shouldn’t you do something?” Yun Chujiu said to the small eagle.

Small Eagle squeaked a few times and then rolled its eyes at Yun Chujiu. It was obvious that it looked down on Yun Chujiu.

Yun chujiu suddenly jumped forward, and the needle in her hand stabbed small eagle’s body. Small Eagle squeaked in pain.

Small Eagle was so angry that its fur blew up, but it couldn’t move, it could only look at Yun chujiu and say proudly, “Little Thing, I’m warning you. You Can’t play with me. If you behave well, I won’t stab you. Otherwise, I’ll stab you into a sieve.”

The small eagle was not willing to be threatened by her. It cried out angrily. Yun chujiu smiled sinisterly, “Even if you tell your mother, she won’t believe you. If you don’t believe me, you can try.”

The Cry of the small eagle became even more furious. Yun chujiu sat cross-legged at the side indifferently and leisurely enjoyed the scenery in the distance.

They should be on a cliff. There were forests and grasslands in the distance. The food source should be fine, so the golden-winged vermillion-beak eagle should not eat her because of hunger.

Yun chujiu waited for the small eagle to stop screaming before she said, "When your mother returns, just say, 'mother, you've worked hard. Just say this. If you don't say it, I'll stab you when your mother leaves.'"

The small eagle glared at Yun Chujiu angrily. It had no intention of saying anything. It was determined to complain to its mother and eat this hateful human.

Four hours later, the golden-winged vermillion-beaked eagle flew back.

The golden-winged vermillion-beak eagle brought back a two-horned sheep. After putting the sheep on the ground, it took out some wild fruits from its storage space and threw them to Yun chujiu.

"Thank you, Lord Eagle, thank you, Lord Eagle!" Yun chujiu thanked him flatteringly.

At this time, small eagle cried out angrily, "Mother, that human used needles to stab the baby!"

The golden-winged vermillion-beak eagle was stunned and then scolded angrily, "Nonsense! How could she have such guts? Did you frame her because you heard that she wanted to learn something? You are really too unambitious. Don't eat dinner today!"

"Mother, Wuwu, she really used needles to stab the baby!" Small eagle was so aggrieved that it was trembling.

The golden-winged vermillion-beaked eagle looked suspiciously at Yun chujiu who was eating wild fruits next to it. It then looked at the aggrieved small eagle, "Where did she stab you?"

Small Eagle was in deep trouble this time!

Yun chujiu only used embroidery needles. Small Eagle was big and had a layer of fur covering it. Therefore, the golden-winged vermillion-beaked eagle could not find any wounds after checking for a long time, it immediately beat the small eagle with its wings.

The small eagle cried out in pain. Then, it saw Yun Chujiu's gloating eyes and almost fainted from anger.
