

## The Yun Family's Ninth Child is an Imp! Chapter 1806

"Damn girl! I didn't expect you to be so sneaky! Come down quickly and face your death, or I will kill these people." Fan Zhen said coldly.

"If you want to go down, then go down. I wanted to go down and kill you too. Make Way for me and give me a place to land. I don't want to smash you to death!" Yun Chujiu said with a smile.

"I don't need you to save me! Get lost!" The dry old man roared angrily. He knew that Yun Chujiu was simply throwing her life away. Not only did Fan Zhen and the others have superb spiritual powers, they also had hostages in their hands. Yun Chujiu had no chance of winning.

Fan Zhen curled his lips. These so-called righteous gentlemen always liked this trick. That little girl would definitely cry and wail and refuse to leave. Otherwise, wouldn't she be leaving them to die? !

Unexpectedly, Yun Chujiu touched her chin and said, "Eh? Old Man, what you said makes sense! You guys are not related to me. I don't need to put myself in danger just to save you guys! Since that's the case, I'm leaving! You guys can do whatever you want!"

After Yun Chujiu finished speaking, she indeed commanded the chopping board to fly away. Not long after, there was only a black dot left.

Fan Zhen..

The Man in black..

Everyone..

For a moment, there was a strange silence. Everyone was shocked by Yun Chujiu's unconventional behavior!

Are You Out of your mind? !

Since you don't want to meddle in other people's business, why didn't you leave just now? Why did you leave now? Could it be that after killing six people, you felt good and left?

"Family head, should we chase after her?" A man in black asked Fan Zhen.

Fan Zhen was also a little hesitant. He decided not to chase after her. Yun Chujiu had killed six of their men. He could not let her off so easily!

However, he decided to chase after her. That wretched girl was full of tricks. She might even come up with some tricks. Her chopping board was much more flexible than these people's swords. Moreover, he did not know how many sudden rupture talismans she had in her hands.

Fan Zhen was filled with regret. He should have used these people to blackmail that wretched girl from the very beginning. He should not have let people go to the heavens to capture her.

However, that wretched girl seemed to value money more than these people. Even if he were to blackmail her, she probably would not give in, right?

Fan Zhen gritted his teeth. No matter what, the purpose of this trip was to kill Jiang Ye Zhou. He had to kill him first. As for that wretched girl, he would deal with her when he had the chance in the future.

Just as Fan Zhen was about to kill the old man, he saw Yun Chujiu flying back. "Hey! How about we discuss a business deal?"

Fan Zhen felt a slight pain in his temples. This wretched lass was most likely out of her mind. Discuss a business deal? Are you crazy! ! Why would I discuss a business deal with you! !

"Let me tell you the truth. I have long disliked these people from the Tian Yuan Academy! Damn it, a genius like me is actually being ostracized by them! Do you know why I wasn't here just now? Because I violated the school rules and was locked up by them! If it wasn't for you guys coming over, I would still be locked up! These people deserve to die! What you did was simply satisfying!" Yun chujiu stood on the chopping board, she clapped her hands and said.

Fan Zhen would never have dreamed that Yun Chujiu would actually say such a thing. He did not know how to react for a moment.

Fan Zhen was still in a daze when.., he heard Yun chujiu say, "If you ask me, you're really too kind! Why are they all still alive? You should kill them one by one! Bleed them one by one! These people all deserve to die! How about this, you kill one person, I'll pay you a high-grade spirit stone, as if I hired you to avenge me!"
