

The Yun Family's Ninth Child is an Imp! Chapter 1814

As everyone was tired after working for a day and a night, they decided to rest for the night and move out the next morning.

Di beiming directly followed Yun chujiu to Yun Chujiu's dormitory to rest. Now, no one had the mood to gossip about these things. Only Lan Luo Chen's eyes flickered a few times, but he did not say anything.

As for Xue Wuji, he did not have the sour feeling of the past at all. Instead, he could not help but think of that lecherous woman. He spat at himself a few times and then went to the guest room to rest.

After di beiming and Yun chujiu washed up, di beiming asked, "Little Jiu, didn't you say that you were trapped in The Prodigy Hall? How did you get out?"

When Yun chujiu heard di Beiming's question, she immediately recounted the incident to di beiming with great joy.

At that time, Yun Chujiu was about to take the opportunity to form a contract with the small eagle, but a white light flashed in front of her eyes. When Yun Chujiu opened her eyes again, she found that she had returned to the palace from before.

Yun chujiu thought that they should have a normal test this time, but after waiting for a long time, there was still no movement.

“Qi Ling, GET OUT HERE! What do you mean?”

“Bastard! Have you been angered by me?”

“Coward, if you have the ability, come out! A timid Qi Ling like you is simply a disgrace to the Qi Ling World!”

..

No matter how Yun Chujiu cursed, Qi Ling did not make a sound, and the surrounding environment did not change.

boxn ov el. c o m

F * ck!

Did the damn Qi Ling want to trap me in this palace?

Yun Chujiu was right!

The Qi Ling of the Heaven's Pride Palace realized that Yun Chujiu was too abnormal. She was able to trick the golden-winged vermillion-beaked eagle to give her her child. Such a freak probably would not be able to stop her no matter what. Since that was the case, she would use the same strategy to deal with all the changes.., trap her to death!

Yun chujiu cursed until her mouth was dry, but it was of no use. She simply began to use the rolling pin to knock around, trying to find a loophole.

Unfortunately, after busying herself for a long time, she still couldn't find any exit, so she could only stop and rest.

For three days in a row, Yun chujiu still couldn't find an exit. The weapon spirit remained silent as if it was dead. In fact, this guy was hiding in a corner and jumping with joy!

Damn it!

You Little Brat, you also have this day! You shall be trapped here for the rest of your life! Hahaha!

Just as Qi Ling was showing off, she heard Yun chujia say faintly, "Qi Ling, I wonder if your pride of Heaven Palace is afraid of being burned by fire? How about I light a fire for You?"

Qi Ling was stunned at first, then pursed her lips. Did this little brat think that this Qi Ling was brainless? Ordinary Flames could not burn down this palace. Moreover, if she were to light a fire, she would be the first to be burnt to death. Qi Ling did not believe that she would really dare to set a fire.

Just as Qi Ling was thinking about this, she saw Yun chujia call out a black fire-spitting crow from her spiritual beast pouch. The fire-spitting Crow opened its mouth, a large fireball with purple lightning power smashed towards a corner of the palace.

Just because the fire could not destroy the palace did not mean that the fireball spat out by Xiao Heinia could not destroy it. The corner of the palace immediately caught fire.

The weapon spirit qi ling scolded, "Stupid Girl! Are you crazy? ! Aren't you afraid that you will also be burned to death if you catch fire?"

Yun chujia giggled, "Little Bastard, you finally dare to speak? You Don't have to worry for me. I have the fire repelling pearl in my hands, so even if the palace is burned to ashes, I will be fine."
