

The Yun Family's Ninth Child is an Imp! Chapter 1816

Qi Ling knew that Yun Chujiu would not let it go without a little blood. She could only clench her teeth and say, "Little fairy, although I don't have any immortal items or top-grade spirit stones, I can give you a top-grade item!"

"Top-grade item? What good item? What good item can you have with your poor appearance?" Although Yun Chujiu was overjoyed in her heart, she had a contemptuous expression on her face.

The weapon spirit was successfully stimulated by Yun Chujiu's competitive spirit, she said loudly, "Humph! Although this weapon spirit is a little poor, this thing was considered a rare item in the ancient times. This was obtained with great difficulty by my first Master!"

"Little Bastard, who doesn't know how to boast! What exactly is it?" Hearing the weapon spirit's words, Yun chujiu felt like a cat scratching her heart. It must be a good thing to say so much. What exactly was it?

"It's a formation to repair remnant souls, the great void soul-repairing formation! As long as you have this formation, you can repair remnant souls. This is definitely a heaven-defying formation! You're the only one who met this item spirit. Otherwise, you wouldn't have found this heaven-defying formation even if you went to the heavens and earth. With this great void soul-repairing formation, you..."

Yun Chujiu did not listen to the bragging behind the item spirit. Three golden words flashed repeatedly in her mind: I've made a fortune!

Hahaha! With the Great Void Soul mending formation, she could repair the remnant souls of Fu Ao and the rest. Other things aside, as long as she could repair the remnant souls of Tao Wu and Qiong Qi, they would be two great killing weapons! Although she might lose a part of her soul every time she came out, she could repair it again!

Wahaha, I've struck it rich! It was really worth it to enter the prodigy roll!

Thank you, Tianyuan Academy! Thank You, Heaven's Pride Roll! Thank you, Qi Ling! Thank you, old witch, for making things difficult for me!

Even though this fellow was about to go crazy with joy.., however, he curled his lips and said, "Great Void Soul Mending Formation? What You Said is pretty awesome, but I don't have a remnant soul to use to repair it, so what's the use of having it? ! However, I don't think you can bring out any other good things, so I'll reluctantly agree to it!"

Hearing Yun Chujiu's words, the weapon spirit was afraid that she would go back on her words, so it quickly threw a sheepskin scroll to Yun Chujiu.

Yun Chujiu had just received the sheepskin scroll when a white light flashed in front of her eyes. When she opened her eyes again, she was already outside the prodigy roll!

Yun chujiu saw that the first name on the screen had indeed been changed to her name. Other People's names were followed by the number of points. Only her name was followed by three bright words, "Infinity".

Yun chujiu nodded her head in satisfaction. Just as she was about to check the sheepskin scroll, she smelled a strong smell of blood. So, she hurriedly put away the sheepskin scroll and rushed to save her.

"Prince Charming, you have reminded me. I have to see if this sheepskin scroll is the great void soul-repairing formation. If the weapon spirit on the prodigy roll dares to touch me, I will burn its SH * t Nest!"

Yun chujiu took out the sheepskin scroll as she spoke. When she opened it to take a look, she was dumbfounded!

The sheepskin scroll was densely packed with words, but they were all ancient characters. Yun chujiu could only recognize a few sparse words!

Yun chujiu was so angry that she cursed the prodigy roll's Qi Ling, di beiming could not help but laugh. "Little Jiu, this great void soul mending formation was originally left behind from the ancient times. Naturally, it was written in ancient characters. You've wronged the weapon spirit of the prodigy roll."

Yun chujiu thought about it and it made sense. If it was not written in ancient characters, then it meant that it was fake!
