

The Yun Family's Ninth Child is an Imp! Chapter 1817

"Prince Charming, I thought that I would reach the peak of my life from now on! As long as I learn the great void soul-repairing formation and repair the remnant souls of Tao Wu and Qiong Qi, who could be my little fairy Jiu's match? "What a pity, what a pity, it was just a daydream," Yun Chujiu said with a sigh.

Di beiming could only comfort her. Yun Chujiu's greatest strength was her big heart. She quickly threw this matter to the back of her mind and forced di beiming to sing a few lullabies. This fellow fell asleep soundly.

She fell asleep, but di beiming did not feel sleepy at all. He sensed a huge crisis.

Those black-clothed people were most likely from other high-grade continents. With the first batch, there would be a second batch. These people's spiritual power was too high. If they did not think of any effective methods, the Tian Yuan continent would be in danger!

Di beiming's brows suddenly relaxed as he thought about it. This was because he thought of the Tian Yuan continent and the Qing Xuan continent. When people from the Tian Yuan continent arrived at the Qing Xuan continent, although their spiritual power was suppressed, it was like a wolf entering a flock of sheep, then why did very few people go to the Qing Xuan Continent?

The reason was very simple. The most fundamental goal of a cultivator was to cultivate the great dao. The rest of the matters were secondary. The Spiritual Qi of the low-level continents was much thinner than that of the high-level continents. There was no need to delay their cultivation just to show off.

The enmity between Fan Zhen and the dry old man should have been decades ago. Now that he had found his way here, it meant that he had never thought that the dry old man would stoop down and come to the low-grade continents.

Di beiming finally came to a conclusion. If there was no reason that he had to come, the other people on Fan Zhen's continent would not easily come to the Tian Yuan continent.

When di beiming thought of this, he kissed Yun chujiu on the forehead and fell asleep.

The next morning, di beiming told Yun chujiu his thoughts. Yun chujiu blinked her starry eyes and said, "My Prince Charming, you are indeed my Prince Charming. You are so SMART!"

Di Beiming's ears were slightly red and he said unnaturally, "Let's go to the trial tower quickly, in case something unexpected happens."

After saying that, di beiming left the room in a hurry.

Yun Chujiu touched her chin. was the pretty boy embarrassed? Why was his skin getting thinner and thinner?

When Yun Chujiu and di beiming arrived at the trial tower, Dean Huangfu and the rest had also arrived. Only Xue Wuji yawned and came late.

“Brother Wuji, your dark circles are too obvious! Didn’t you sleep last night? What did you do?”Yun chujiu asked curiously.

Xue Wuji said in a slightly flustered manner, “Brother, I naturally couldn’t sleep for the safety of the Tian Yuan continent! How can I be like some people who sleep until dawn without a care in the world!”

“Ah, so it’s like that! Then, Brother Wuji, have you thought of any countermeasures?”

“How can countermeasures be so easy to think of? ! Little Sister Jiu, let’s not talk about this anymore. Let’s hurry up and deal with the bastard in the trial tower!”Xue Wuji said with a slightly erratic gaze.

Yun chujiu pursed her lips. This Wu Ji’s head must be hiding something from her. How could a heartless person like him think of a countermeasure? Pui!

When Xue Wuji saw that Yun Chujiu did not pursue the matter any further, he heaved a sigh of relief. He would never admit that he could not sleep after having a colorful dream last night..

Seeing that everyone was ready, Yun chujia stretched her neck and shouted, "Xiao Hei, release one of the black-clothed men. I'll drain his blood!"

Although the weapon spirit of the trial tower was so aggrieved that it wanted to cry, it still obediently released one of the men in black. This was because it felt that Yun chujia, this black-hearted person, was much more terrifying than the men in black!
