

The Yun Family's Ninth Child is an Imp! Chapter 1824

Yun Chujiu said with a smile, "Aiya, I was a little worried at first. Since you've already sworn, then I'm relieved! I reckon that there are only a few reasons for them to look for me to go back.

Firstly, it's possible that my mother left something good behind, and only I can open it.

Second, maybe there was a marriage contract or something that I had to keep.

Third, maybe there was an old ancestor or something who didn't want his children and grandchildren to wander outside, so he came to me.

So, when you ascend, when you hear that I have a fiancé or something, don't take it to heart. No matter if the marriage partner is a cat or a dog, you are the only one in my heart, "I will definitely think of a way to break off the marriage! "You just need to trust me!"

Everyone was a little confused by Yun Chujiu's reasoning. It sounded reasonable, but why was it a little awkward? Whether the marriage partner was a cat or a dog? Why did it not sound like a person's name?

Although everyone was unwilling, logically, they knew that Yun chujiu would follow manager Xia. This was the best way to avoid more casualties.

“Alright, it’s almost time. Everyone should be fine! Wait for the good news that I will turn the immortal essence continent upside down! “Don’t send me off, or else I won’t be able to bear to leave!”Yun chujiu pretended not to care and said to everyone, then, she quickly rushed out of the living room.

At first, Yun Chujiu still had a smile on her face. As she walked, tears started to flow down her face. She thought that happiness was already within reach, but she did not expect to be told that it was just a bubble! It was really F * cking tragic!

Di beiming stood where he was and watched Yun Chujiu wipe her tears with her sleeves. His hands were tightly clenched and his lips were pursed into a straight line. His heart was filled with guilt and self-blame..

Suddenly, he spat out a mouthful of blood and di beiming fell to the ground!

“Beiming!”The palace mistress immediately cried out in shock!

Yun Chujiu, who had already walked far away, vaguely heard the palace mistress’cry. She shook her head and thought that she might have heard wrongly.

This fellow used his sleeve to wipe away his tears, and a trace of a smile appeared on his face. Regardless of whether it was a raging fire or a thorny thorn in front of her, I, Yun Chujiu, will make it a broad and broad path!

Mo family, you have touched my bottom line, and I will make all of you fly into chaos, unable to rest in peace!

Yun chujiu came to the foot of the mountain and said to manager Xia with a smile, "Manager Xia, let's quickly set off! I Can't wait to see my father!"

"Miss, I don't know about your adoptive parents. How are you going to arrange it?" Manager Xia curled her lips in disdain. What a cold-hearted person. Since she didn't ask what her adoptive parents looked like.

"AH, they have at least raised me once. Feed them the antidote and throw it at the entrance of the Temple of Immortals. Naturally, someone will take care of them! Don't waste time. Let's go quickly!"

Manager Xia heard Yun Chujiu's words and the disdain in her heart grew. It seemed that Madam was really worrying too much. Such a vain person didn't need to be threatened at all.

Manager Xia took out a voice transmission talisman and sent a message to another group of people. "There's no need to capture those people. Miss has already agreed to return to the Mo family with me. There's no need to cause any more trouble."

When Yun Chujiu saw manager Xia's message, her heart slightly heaved a sigh of relief. It seemed that the Yun residence was temporarily safe. After going up, she had to think of a way to protect everyone.

Manager Xia summoned a flying spirit tool. When Yun Chujiu saw it, she couldn't help but sigh in her heart. This immortal Yuan continent was indeed extraordinary. This flying spirit tool was much more advanced.
