

The Yun Family's Ninth Child is an Imp! Chapter 1827

Yun chujiu could not help but feel a little puzzled. This trip to the Tian Yuan continent was quite torturous, and it was very dangerous. The Mo family had spent so much effort, so why did they want to find her?

Yun chujiu snorted coldly in her heart. In short, it was definitely not because of family ties. She wanted to see what they were going to do after going through so much trouble.

However, since the journey was so dangerous, they would definitely not easily go looking for trouble with her grandfather and the others. As long as she did not touch their bottom line, she could completely play tricks on them. Mo residence, your good days were about to come!

Finally, they saw land from afar.

Manager Xia and the others heaved a sigh of relief. They had finally returned safely.

After everyone went ashore, they flew on the flying spirit tool for nearly a month before they arrived at Jinchuan City, where the Mo family was located.

After the flying spirit tool landed, Yun Chujiu followed manager Xia and the others into Jinchuan city.

Yun chujiu looked around curiously. Jinchuan city was very prosperous, and it looked very big. It was probably one of the larger cities in the western continent.

Some pedestrians on the way saw manager Xia and the others and consciously avoided them. Yun Chujiu's eyes flashed. It seemed that the Mo residence should be quite powerful in Jinchuan city.

However, there were also some people who only nodded when they saw manager Xia and the others. They even gave Yun chujiu a veiled glance.

Dong Qing saw that Yun Chujiu looked like she had never seen the world before, she could not help but snort coldly. "Eldest miss, you are no longer a person from the lower realm. You are now representing the Mo family's face. I hope you can put away your petty attitude."

Yun chujiu turned her head and smiled at Dong Qing. Dong Qing was stunned by Yun Chujiu's smile. Then, she felt a sense of uneasiness in her heart. Why did this country bumpkin feel like a different person?

Yun chujiu raised her voice and said clearly, "Dong Qing, you are right. Since I am the eldest miss of the Mo family, there is a difference between master and servant. In the future, you must address me respectfully. Otherwise, I will not be polite!"

Dong Qing thought she had heard wrong and could not help but be stunned. "What did you say?"

PA!

Yun chujiu waved her hand and slapped Dong Qing. "Impudent! Is this the way you speak to your master? !"

Although Dong Qing's spiritual power was much higher than Yun Chujiu's, she had never dreamed that Yun Chujiu would suddenly attack. Therefore, the slap was firm, and the left side of her face immediately swelled up.

"B * Tch! How dare you hit me?" Dong Qing raised her hand as she spoke, wanting to hit Yun Chujiu.

Yun chujiu jumped several feet away in an instant, she shouted loudly, "Manager Xia, are the servants of our Mo residence so unruly? Not only did they insult our master, they even wanted to hit our master! "In that case, I might as well stay in the Tian Yuan continent. I didn't expect that being recognized by you would make me suffer!"

All of this happened very quickly. Manager Xia did not have the time to stop her at all. Yun Chujiu's shout immediately attracted the attention of many people.

Some of the forces that were on par with the Mo residence were very curious about Yun Chujiu's identity. Now, they naturally would not let go of such a good opportunity. They all stopped to watch.

Manager Xia was caught off guard by Yun Chujiu. Although he was very surprised that this country bumpkin suddenly became bold, on the streets, the Mo Residence's face was naturally the most important thing, thus, he said to Dong Qing, "How dare you! Hurry up and apologize to miss! Miss, Let's go back to the Mo residence first. The Master and Madam are still waiting for you. What About You?"

Manager Xia was afraid that Yun Chujiu would find fault again, so she changed "You" to "You".

Only then did Yun chujiu let out a long sigh. "Manager Xia, I'm relieved to hear that. I thought my father brought me back to abuse me! Dong Qing, What Are You Waiting For? Do you want me to apologize to you?"
