

The Yun Family's Ninth Child is an Imp! Chapter 1837

Yun chujiu still had a little bit of hope in her heart. Perhaps her biological father was forced to do so, or perhaps he really did not find her whereabouts. That was why he did not find her after so many years.

However, when she heard Mo Cheng say this, the little bit of Hope in Yun Chujiu's heart about her father's love was completely destroyed. Her lowered eyes were filled with coldness.

When Yun Chujiu raised her head again., tears fell down. "Father, I didn't expect that the first thing you said to me was to scold me and lock me in the woodshed. If that's the case, why did you look for me to come back?"

There was no trace of pity on Mo Cheng's face. Instead, he said with a bit of disgust, "Why did I look for you? Do you think I wanted to look for you to come back? ! A rebellious daughter like you shouldn't have come back!"

Mrs. Luo tugged at Mo Cheng's sleeve, she said gently, "Fangcao, your father is in a fit of anger, so his words are inevitably a bit extreme. However, why did you blow up the Manor Gate all of a sudden? Could it be that you resent me and master for not finding you in time?"

Yun chujiu sneered repeatedly in her heart. What an old white lotus. This skill was much stronger than Lan Luo Chen's mother. It was not an easy character to deal with.

“Second aunt, you don’t know. Manager Xia said that the main door was broken and insisted that I enter through the side door. I asked her again and again, but she insisted that the main door was broken. I thought, since the main door was broken, then I should blow it up and replace it with a new one. So I used a talisman to blow up the main door.

Did I do something wrong? This wasted a lot of my talismans! I was originally poor. Now I’m even poorer!”Yun chujiu blinked her eyes and said with an aggrieved look.

Madam Luo’s expression immediately darkened when she heard yun chujiu call her “Second aunt”, but she quickly returned to normal.

When Mo Cheng Heard Yun chujiu say this, he was so angry that he fiercely slapped the coffee table again. “Nonsense! I told you to come in through the side door, then come in through the side door. Does the main door need you to act recklessly if it’s not bad? !”

“Father, what you said is wrong. Manager Xia said that only lowly people can come in through the side door. I’m your daughter. If I’m a slut, then aren’t you an old slut?”Yun Chujiu said angrily.

“Impudent! You unfilial daughter! Men! Tie her up! Lock her in the woodshed immediately!”Mo Cheng was so angry that his face was livid and his hands were trembling.

The pink-dressed girl sitting at the lower seat could not help but gloat. This country bumpkin was really a fool. He actually dared to call her father an old SL * T. there must be something wrong with her brain.

When the pink-dressed girl thought of this, she whispered to a red-dressed girl beside her, trying to please her, "Sister, this country bumpkin is really stupid."

The red-dressed girl's expression was arrogant, but she just curled her lips and did not say anything.

The pink-dressed girl could only shut her mouth embarrassedly and curse in her heart. HMPH, what's so great about being arrogant? ! Now that the country bumpkin has come, you are the second miss. If we were to talk about it, the country bumpkin is the legitimate daughter. You are a concubine's daughter like me, what's there to be proud of? ! !

After hearing Mo Cheng's words, two old women walked in from outside, wanting to kidnap Yun Chujiu.

Yun chujiu said in puzzlement, "Father, I'm stating the truth. Why Are You So Angry? "Alright, I can see that you don't care about me at all. "You don't have to lock me up in the woodshed. I heard that my mother has already died and I can't return to the Tian Yuan continent. Since that's the case, there's no point for me to live anymore. I might as well just die!"
