

The Yun Family's Ninth Child is an Imp! Chapter 184

"You just need to sit down. I'll help you paint a picture. I'm sure you'll like it," Yun Chujiu said with a smile.

"Paint a picture? With your dog-like handwriting, you want to paint?" Di Beiming raised his eyebrows. It was obvious that he did not have confidence in Yun Chujiu.

"Pfft! That's because the brush is too soft. I'm not used to it. Just watch!" Yun Chujiu did not say anything and started getting busy.

An Feng helped Yun Chujiu burn a few charcoal sticks. Then, she made a simple easel and started to draw.

Di Beiming did not have much hope at all. He took out a rattan chair from his storage ring and sat on it. He got impatient and took out a book to read.

Yun Chujiu swallowed her saliva as she drew. Tsk tsk! She did not usually pay much attention to his details. Looking at him then, he looked delicious!

Two hours later, Yun Chujiu said proudly, "Success! Prince Charming, take a look. How is my drawing?"

Di Beiming felt that Yun Chujiu's drawing must be very ugly. He casually took the drawing that Yun Chujiu handed over and glanced at it. Then, he was stunned.

An Feng and An Yin also came over curiously. After looking at it, they were also stunned!

"Oh my God! Isn't this too lifelike? Other than the lack of color, it looks exactly like the one she drew!" An Feng said in surprise.

“Not bad! Especially the aura of the supreme that you portrayed in the picture! Miss Jiu, you’re really amazing!” An Yin also praised her.

Yun Chujiu was very proud. “Prince Charming, how is it? I didn’t lie to you, right? This gift isn’t bad, right?”

Di Beiming put the painting into his storage ring and curled his lips. “It’s okay. It’s better than your handwriting.”

Yun Chujiu gritted her teeth. ‘This tsundere! Can’t you say something nice to praise me?!’ Yun Chujiu looked at Di Beiming’s annoying face and said with a smirk, “My Prince Charming, I’m actually not good at this kind of painting.”

“Oh? What kind of painting are you good at?” Di Beiming asked curiously.

“Hehe, I’m good at drawing pottery and bodies! Why don’t you take off your clothes and I’ll draw it for you!” Yun Chujiu said with a smile.

An Feng and An Yin immediately hid in a corner.

‘Oh my God!’

‘Miss Jiu is too bold! She actually flirted with our Lord in front of us!’

Di Beiming was stunned for a moment, then he gritted his teeth and asked, “Black Thing! What nonsense are you talking about? ! What kind of bullsh*t are you good at drawing? Who did you learn it from? Who have you drawn before?”

Di Beiming was furious when he thought that black thing had actually seen other men before!

Yun Chujiu felt much better when she saw that Di Beiming was angry! She chuckled. "I just haven't drawn them before, that's why I want to try! Prince Charming, your figure is so hot, just let me draw it! Besides, it's not like you'll lose a limb from letting me see it."

"Hmph! You haven't seen my body before, how would you know that my figure is good?" Di Beiming was confused by Yun Chujiu's anger, so he replied casually.

"Of course I know! Didn't I see it before? I even touched it a few times!" Yun Chujiu said lecherously.

"You! You! You don't know shame!" Di Beiming was so angry that he flung his sleeves and went back to his room! However, no matter how he looked at it, it seemed like he was about to run away.

An Feng gave Yun Chujiu a thumbs up and thought to himself, 'Miss Jiu is too valiant!'

Yun Chujiu whistled proudly. 'Hmph, I'm the best at dealing with such a tsundere!' There's only one secret to it, and that's to be shameless!'
