

The Yun Family's Ninth Child is an Imp! Chapter 1843

Manager Xia fawningly said, "Madam is right. Firstly, that country bumpkin's spiritual power is low, and secondly, she doesn't have anyone to support her. If you give her a slight warning, she won't dare to jump around anymore."

Madam Luo coldly snorted. "Wanting to kill her is like killing an ant. If she wasn't still useful, I would have killed her long ago. A country bumpkin actually spent more than 20 million high-grade spirit stones on me in one go. It's truly detestable!"

"Madam, didn't she say that the things she bought were to be given to you and the other masters as gifts? Since she was trying to please you and the other masters, she would definitely use most of the things as gifts. This way, she could also recoup some of the losses." Manager Xia thought of the three million high-grade spirit stones that she had paid, her Heart was bleeding.

Madam Luo looked a little better after hearing manager Xia's words. It made sense. Most of the items that that country bumpkin bought would be used to give to her as a gift. This way, she would have less losses.

On the other side, Mo Fangqin accompanied Yun chujie out of the living room. After making a few turns, they arrived in front of a courtyard. On the plaque, there were three words, "Qingyu Pavilion".

"Big sister, this is the Qingyu Xuan that mother arranged for you. Isn't it much better than the one you're living in?" Mo Fangqin's tone was filled with disdain.

Mo Fangqin felt that Yun Chujiu was either ashamed or grateful for her words. She did not expect that.., Yun Chujiu curled her lips and said, "Third sister, the courtyard that our maids in the Tianyuan continent live in is more than twice the size of this Qingyu Xuan! "Sigh, but I also know that second aunt has done her best. I'll just make do with it!"

Mo Fangqin was almost angered. Your maids in the Tian Yuan continent live in a bigger courtyard than this? ! Who are you lying to? !

Mo Fangqin wanted to mock her, but when she thought of the mission that Madam Luo had given her, she could only laugh. "Big Sister is really funny and humorous. Let's go in!"

Yun Chujiu curled the corners of her lips and followed Mo Fangqin into the courtyard. The layout of the courtyard was indeed very exquisite. Other than the flowers and plants that were carefully taken care of, there was also a swing in the corner of the courtyard.

Yun Chujiu muttered in her heart. It seemed that Mrs. Luo had some brains after all. She did not mistreat her on the surface. The more she did this, the more it meant that she had a big motive for bringing her back. What was the purpose of this?

Yun Chujiu rolled her eyes. This huge Mo residence needed to find a temporary alliance. Mo Fangqin was a good choice.

Although Yun chujiu thought so, she naturally would not be so foolish as to say to Mo fangqin, "Let's form an alliance!"! It was estimated that after saying that a moment ago, Mo fangqin would tell Madam Luo in the next moment.

This needed an opportunity, an opportunity to force the two of them into a united front. She could not be anxious.

Mo fangqin should be grateful for Yun Chujiu's thoughts at this moment. Otherwise, this black-hearted person would definitely trick her so much that she would not even recognize Auntie Qiu!

Mo fangqin wanted to create a good impression in front of Yun chujiu so that she could keep an eye on her. Therefore, she enthusiastically helped to instruct Dong Qing and Xia ye to busy themselves with cleaning. She also asked the two of them to fetch a bath for Yun Chujiu.

"Big sister, since you're so tired and rushed back, I Won't Disturb Your Rest! It's getting late today. Mother will probably arrange the welcoming banquet for you tomorrow night." Mo fangqin saw that the arrangements were almost done, she smiled and said to Yun Chujiu.

Yun chujiu nodded. "In that case, third sister, I'll See You Tomorrow!"

Mo fangqin took a few steps forward. Her heart stirred, and she turned her head and said, "Big sister, I'll look for you tomorrow morning. Let's go and greet mother together."
