

The Yun Family's Ninth Child is an Imp! Chapter 1860

After everyone had finished eating and drinking, someone helped Yun Chujiu find a demonic beast to let her train.

Yun chujiu still did not use her spiritual power to materialize. This fellow was very shrewd. Her spiritual power was already low. If she did not leave some trump cards, wouldn't she become a fish on the chopping board, waiting to be slaughtered? !

After Yun Chujiu killed another two level 26 demonic beasts, the onlookers said, "Miss Mo, you have already killed five demonic beasts today. It's about time. Let's go back to the city!"

Yun chujiu showed a troubled expression and looked at manager Xia, "Manager Xia, I, I have completed the mission, right?"

Manager Xia wanted to say that she hadn't completed the mission, but when she saw the fierce eyes of the onlookers, she could only say against her heart, "Okay, let's call it a day."

Yun chujiu said happily, "I thought that I would have to sleep in the wild today. I didn't expect that I could go back to the mansion to rest. That's great! Thank you, manager Xia, thank you!"

Everyone could not help but feel a little sad. This was the eldest daughter of the Mo family, yet she only had such a humble wish. It was really too pitiful!

Everyone looked at manager Xia and the others with strong condemnation and dissatisfaction. Even Mo Fangqin had received a lot of disdainful looks. This third daughter of Mo family was not a good person to see her sister being bullied without helping her.

Mo Fangqin, who was caught in the crossfire, could be imagined the grievance in her heart. She walked at the front with a cold face.

Before the sun set, Yun Chujiu returned to Jinchuan city under the escort of everyone.

Manager Xia's heart was in a mess. This time, she did not complete the task assigned by Mrs. Luo. She could imagine that she would be reprimanded again after she returned.

Just as manager Xia was immersed in thinking of a countermeasure, Mo Fangqin walked over and snorted coldly. "Manager Xia, big sister went into the snack shop in front. I guess she went to buy something again."

Manager Xia immediately shivered. "What?!"

Manager Xia couldn't think of any countermeasures. The horrifying scene from the day before yesterday suddenly appeared in her mind. She quickly rushed into the snack shop.

"Manager Xia, you came at the right time. Do you know that I didn't bring any money? Come and pay!" Yun Chujia said with a smile while chewing on the spiritual fruit.

"Miss, you... you bought snacks again? Didn't you buy a lot two days ago?" Manager Xia saw that the shelves of the snack shop were basically empty, and she suddenly had a bad feeling.

"Manager Xia, you are wrong to say that. So you have eaten today, but you won't eat tomorrow? Besides, I didn't buy those expensive equipment or anything. Can't I just buy some snacks? Hurry up and pay. If you don't pay, put your identity jade token here. When you send the money over, you can redeem the Jade Token." After saying that, Yun Chujia hopped away happily.

Seeing that Yun Chujia had left, the manager of the snack shop quickly stopped manager Xia. "Manager Xia, Miss Mo owes me a total of 50,200 high-grade spirit stones. I'll give you the change. Just give me 50,000."

Just as manager Xia was about to argue, she heard Yun Chujia say to Mo Fangqin, "Third sister, I can't let you go back empty-handed after coming out with me. Let's go. I'll bring you to the satin shop to walk around and pick out some nice clothes for you."

When manager Xia heard Yun Chujiu's words, she was so scared that she threw her identity jade token to the manager of the snack shop. With a roar, she rushed out. "Miss! It's almost time for dinner. Let's hurry back to the mansion!"
